

APPENDIX G

West GA Alternatives

- Refined Alternatives – November 2022
- Recommended Alternative – Potential Phasing

November 2022 - Preliminary West General Aviation Concepts

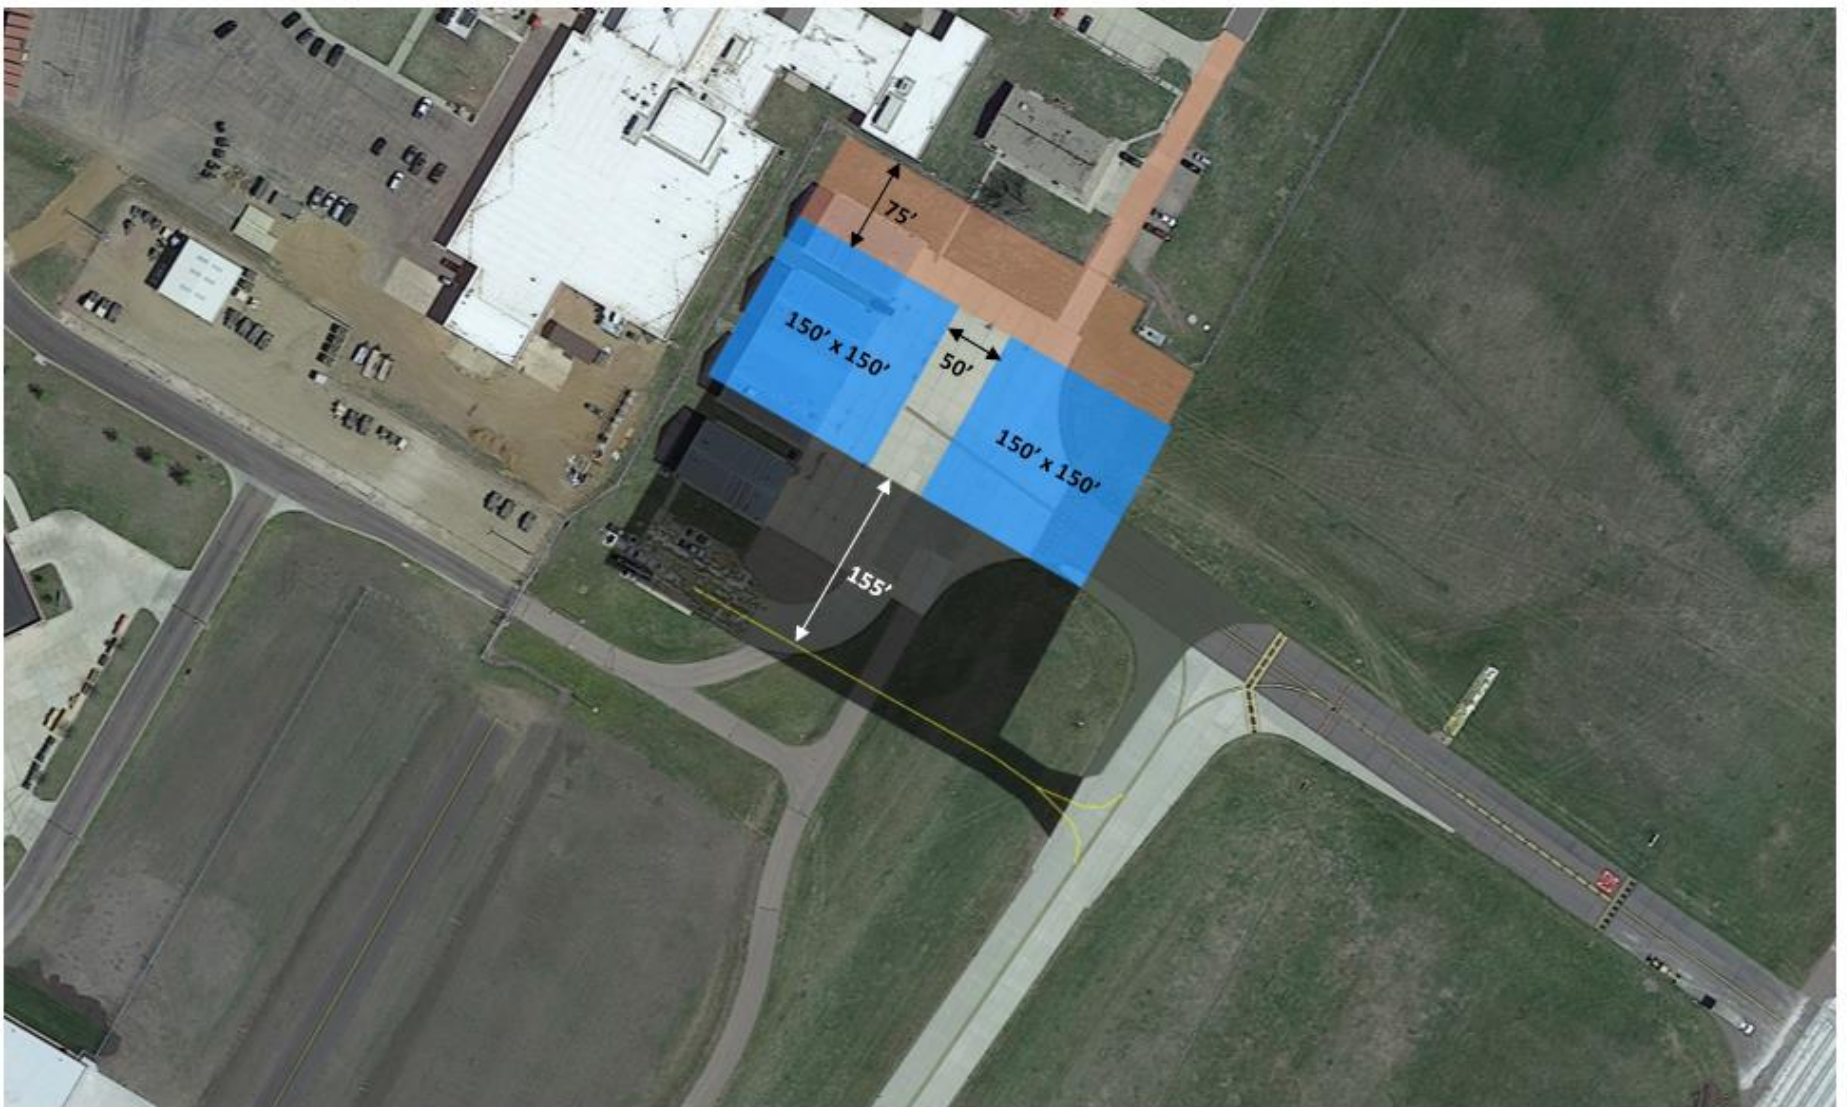

West GA Areas (South, Middle, and North)

West GA (South)

“South” development primarily consists of infill and review of this area is mostly verifying existing plans in place should be carried forward.

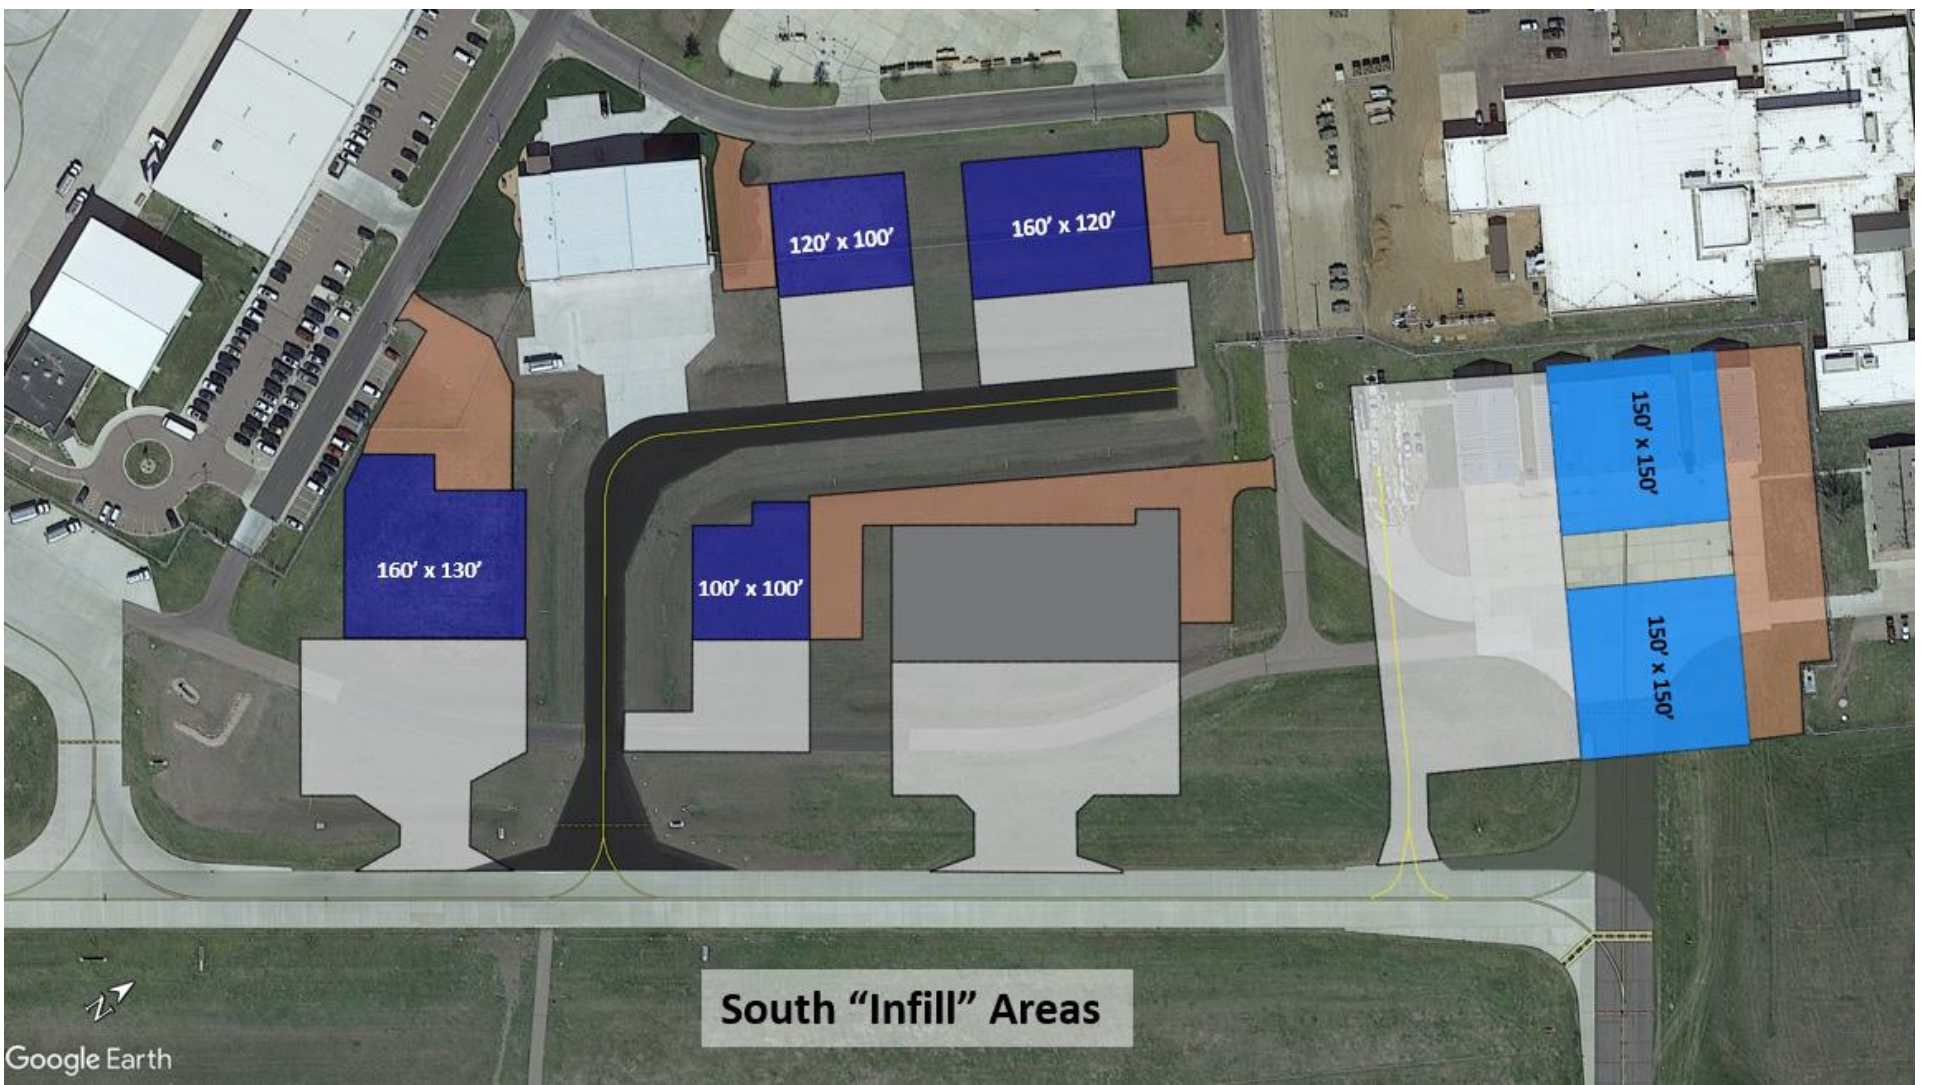

New Concept Satnan/Alert Hangar Area

Involves removal of existing direct access point

South "Infill" Areas

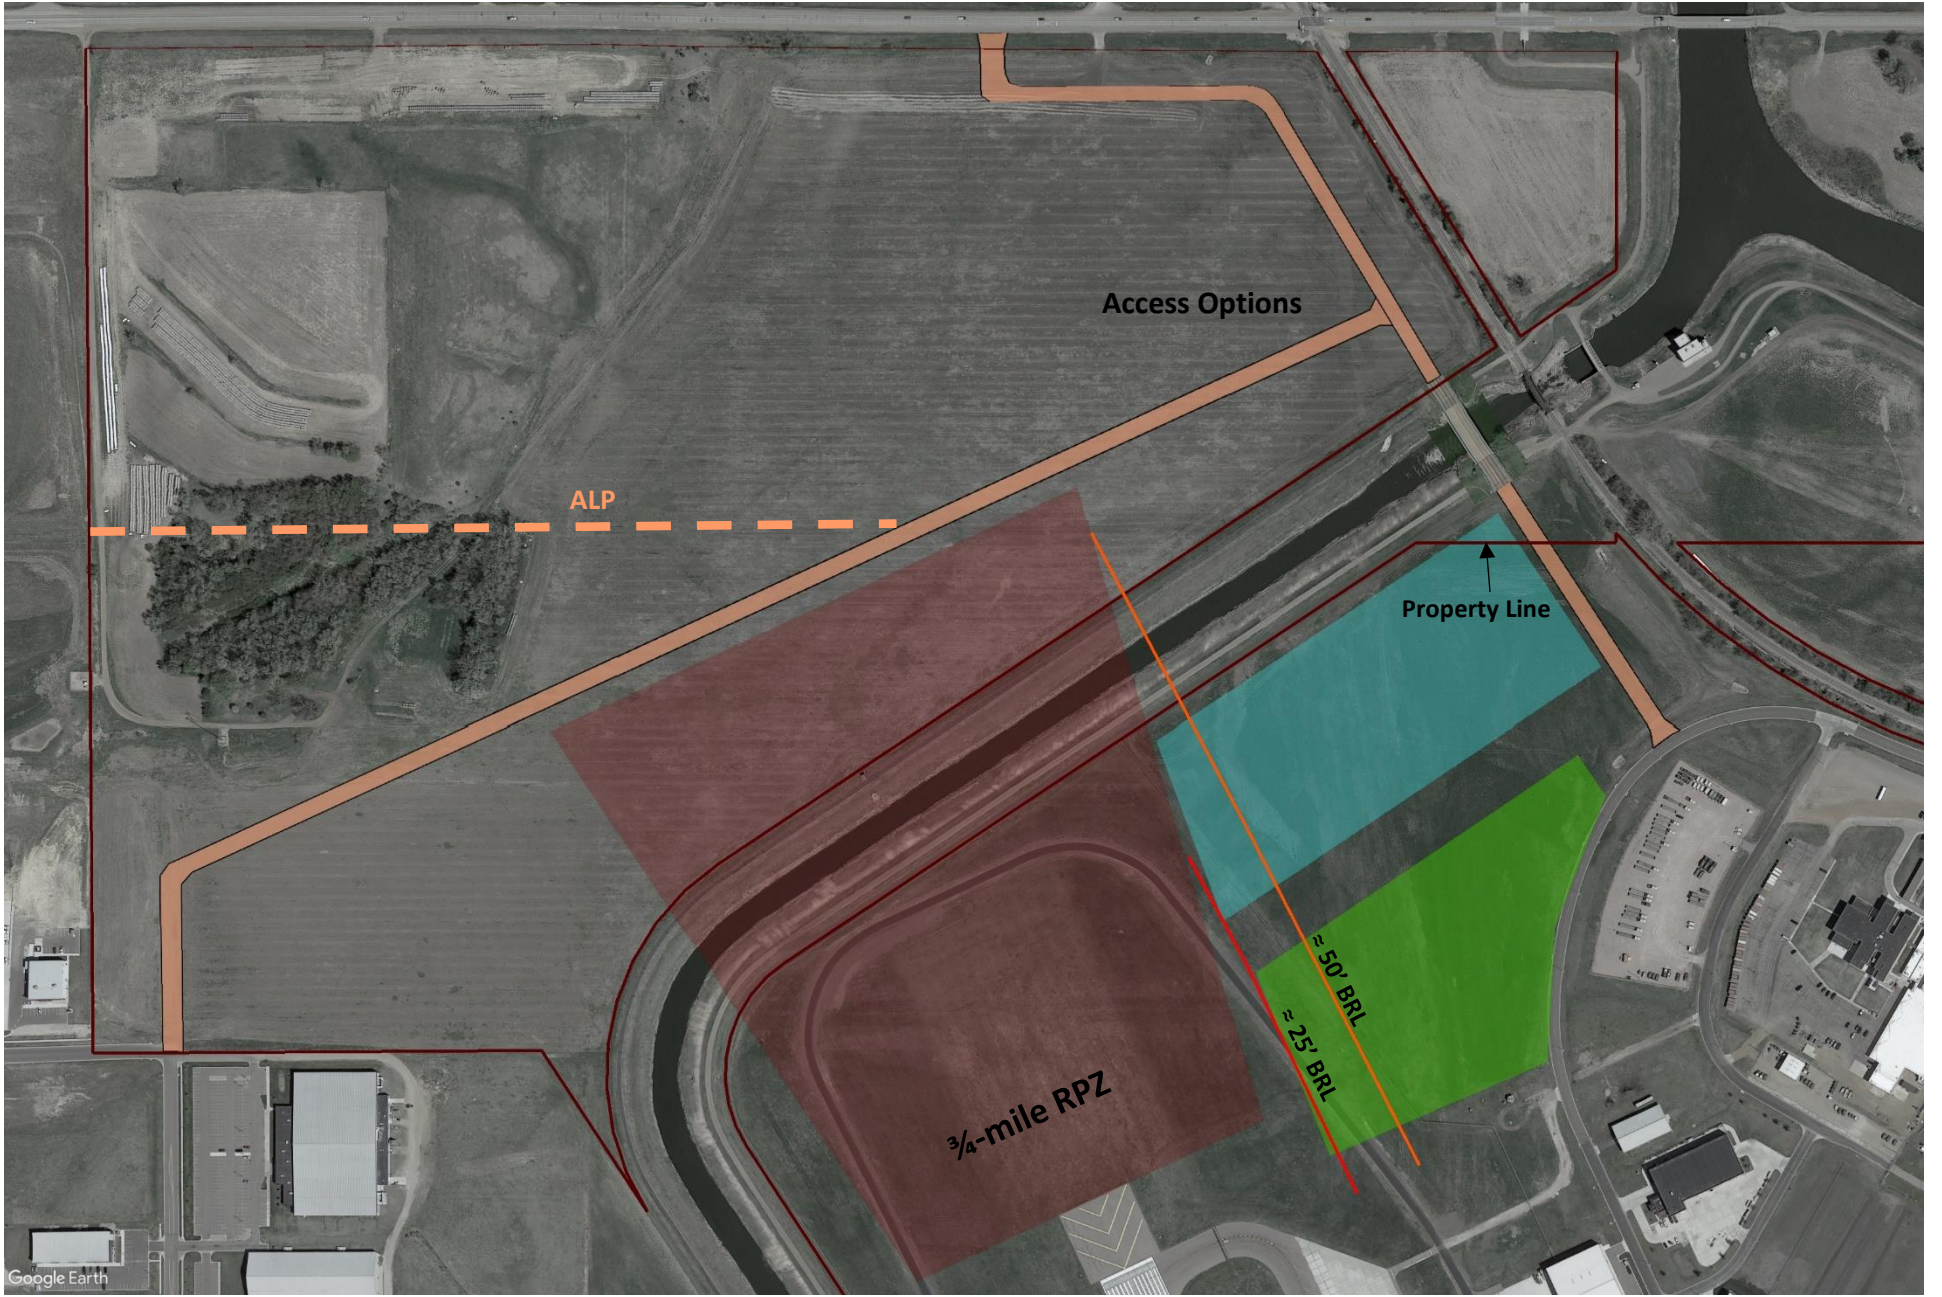

Consider proposed development plans (including preferred SRE/maintenance building expansion) and potential adjustments to be made.

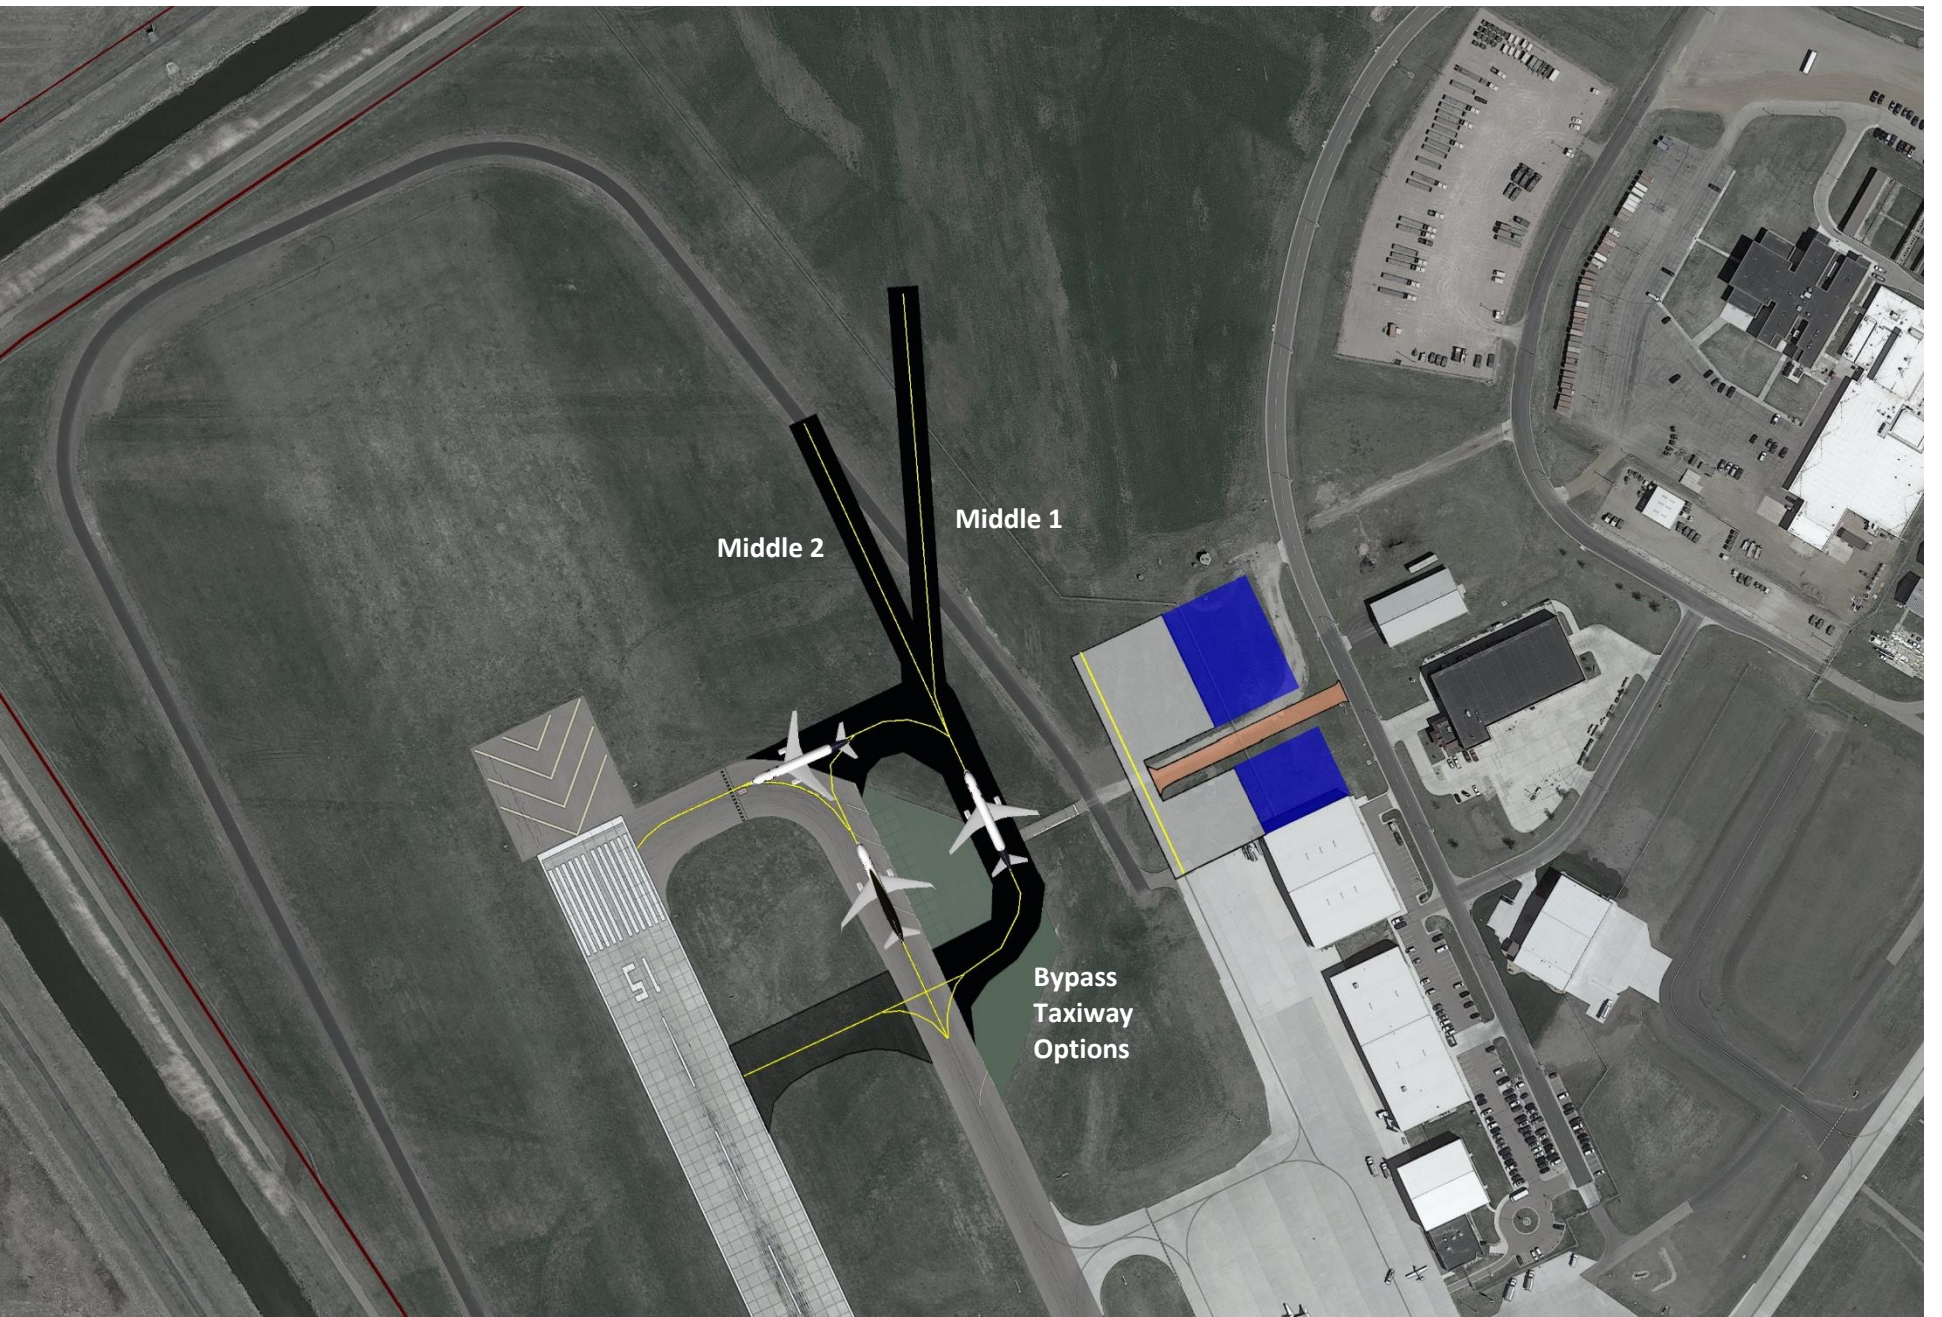

SRE expansion depicted below is based on FSD's preferred SRE expansion alternative from its recently completed study.

Northwest GA – Constraints & Considerations for Middle and North Areas

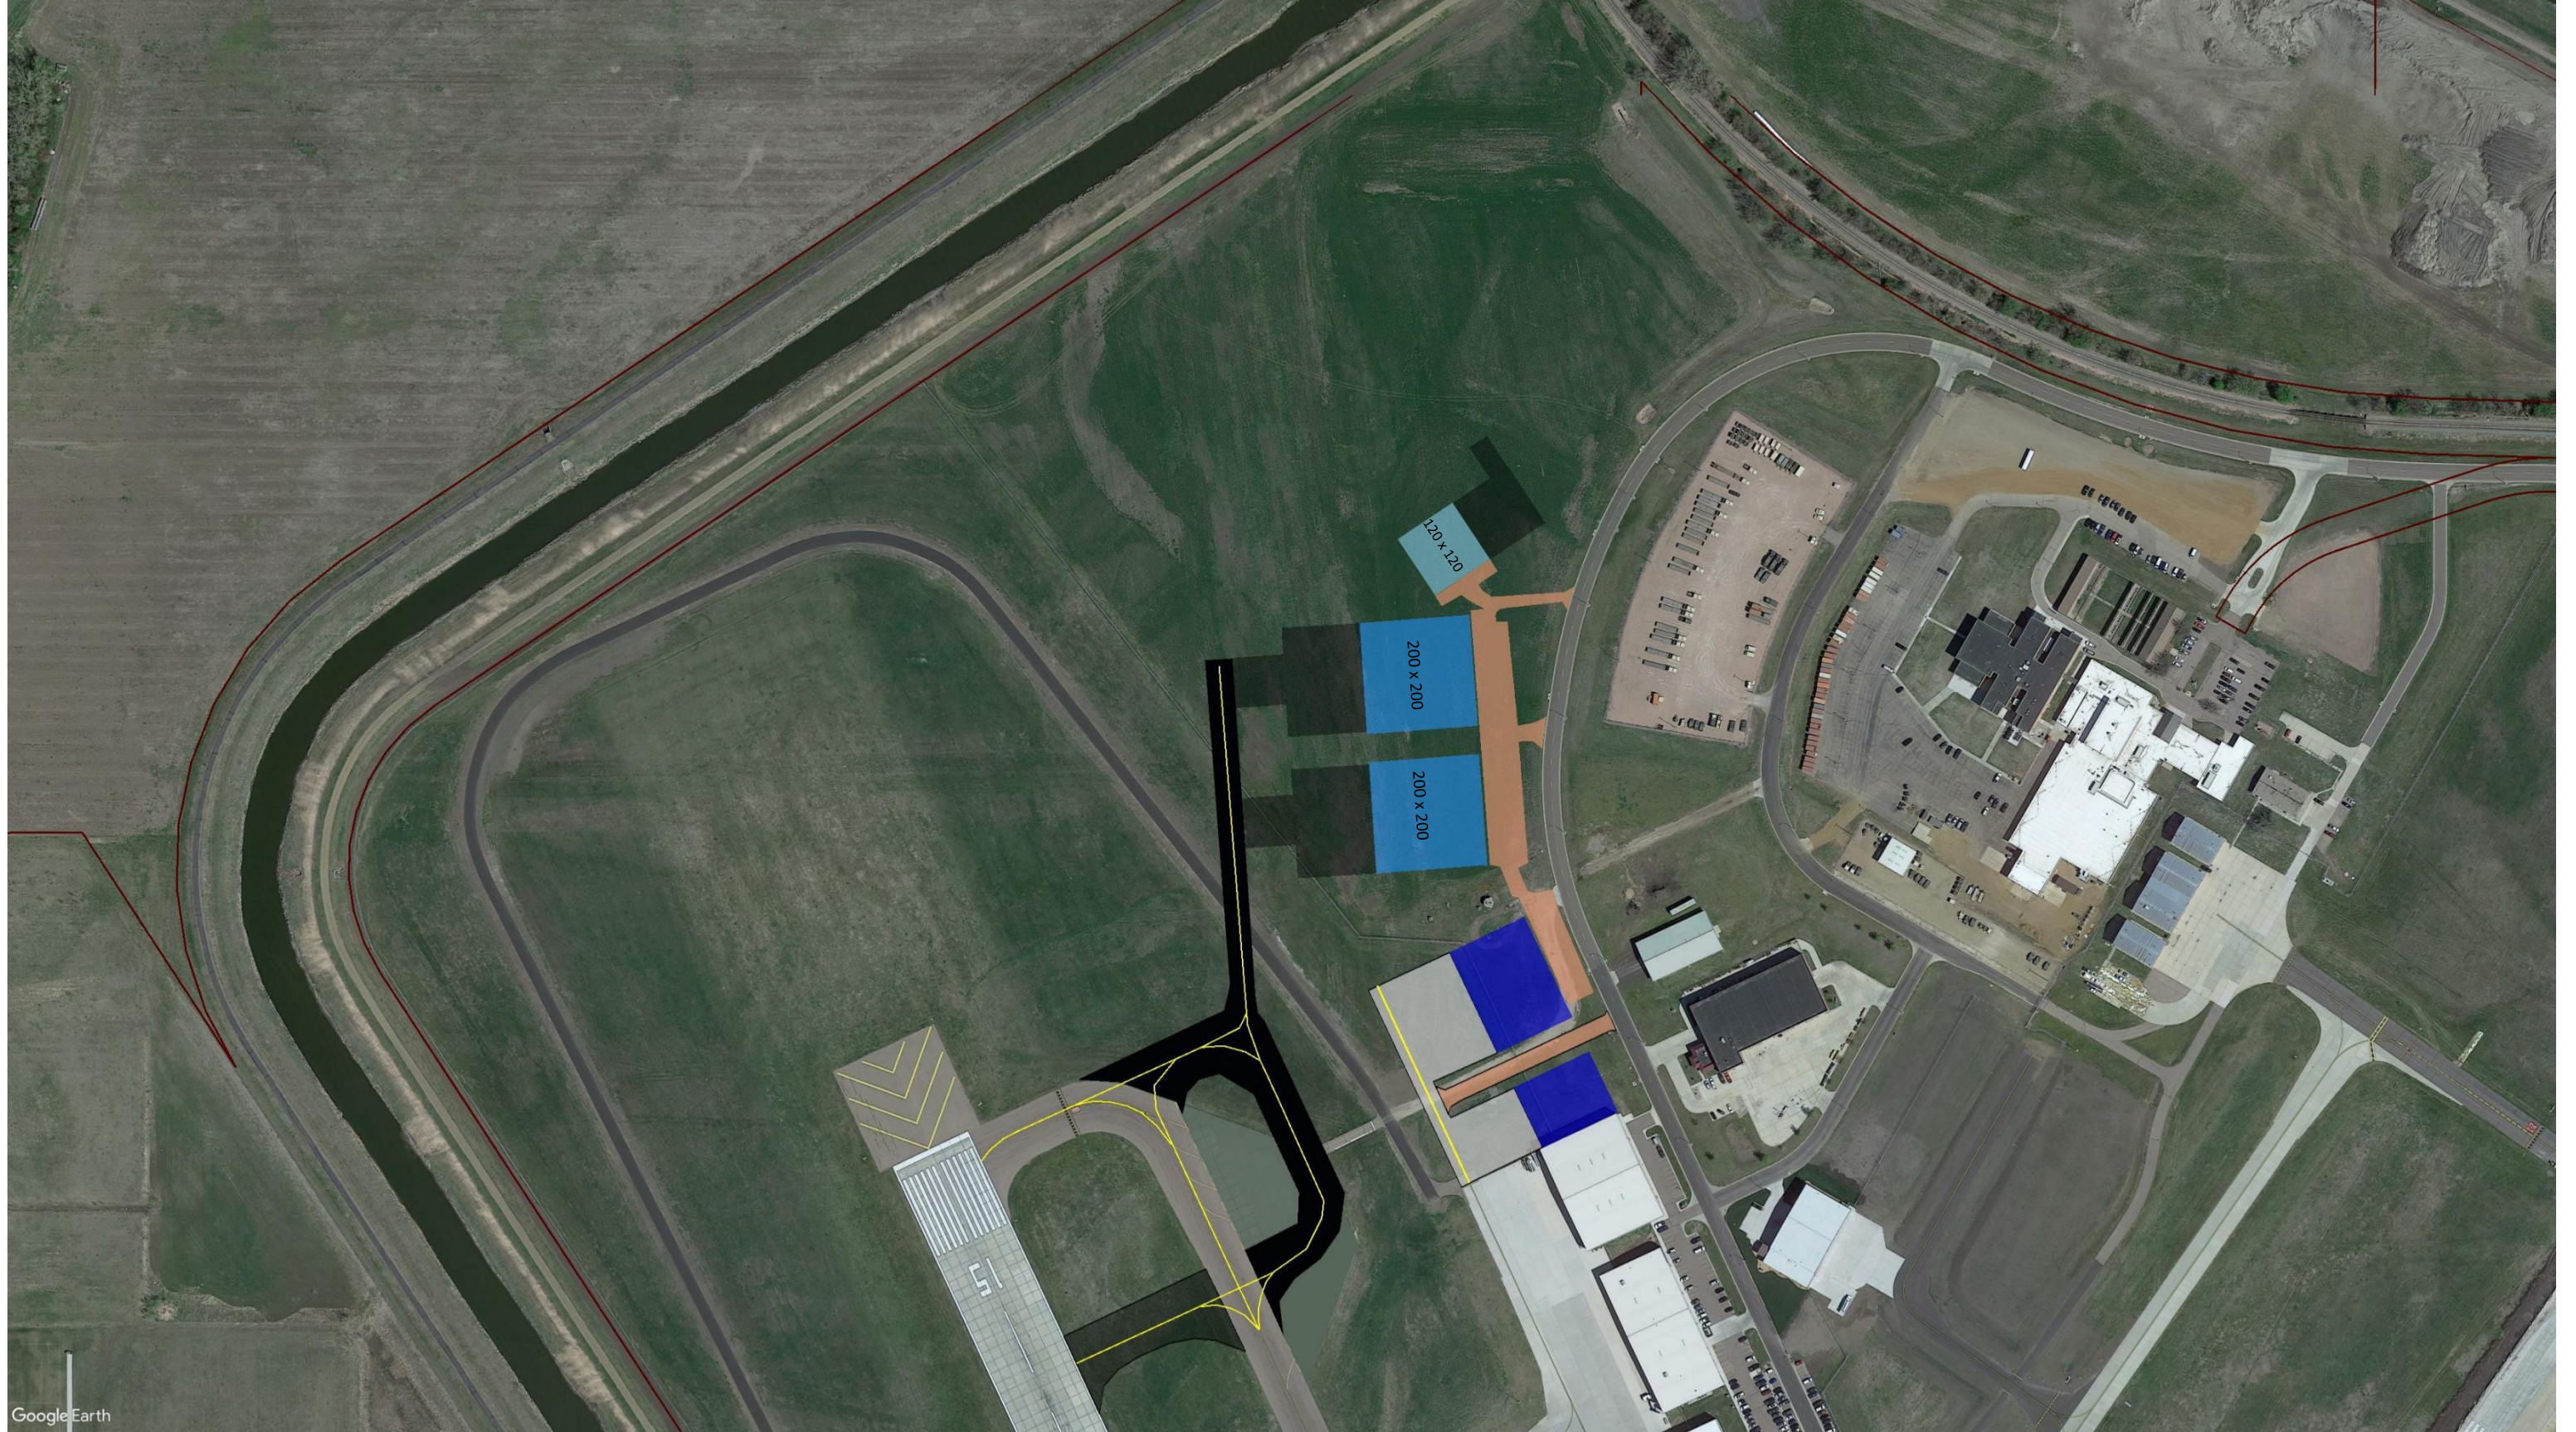

Taxiway Infrastructure

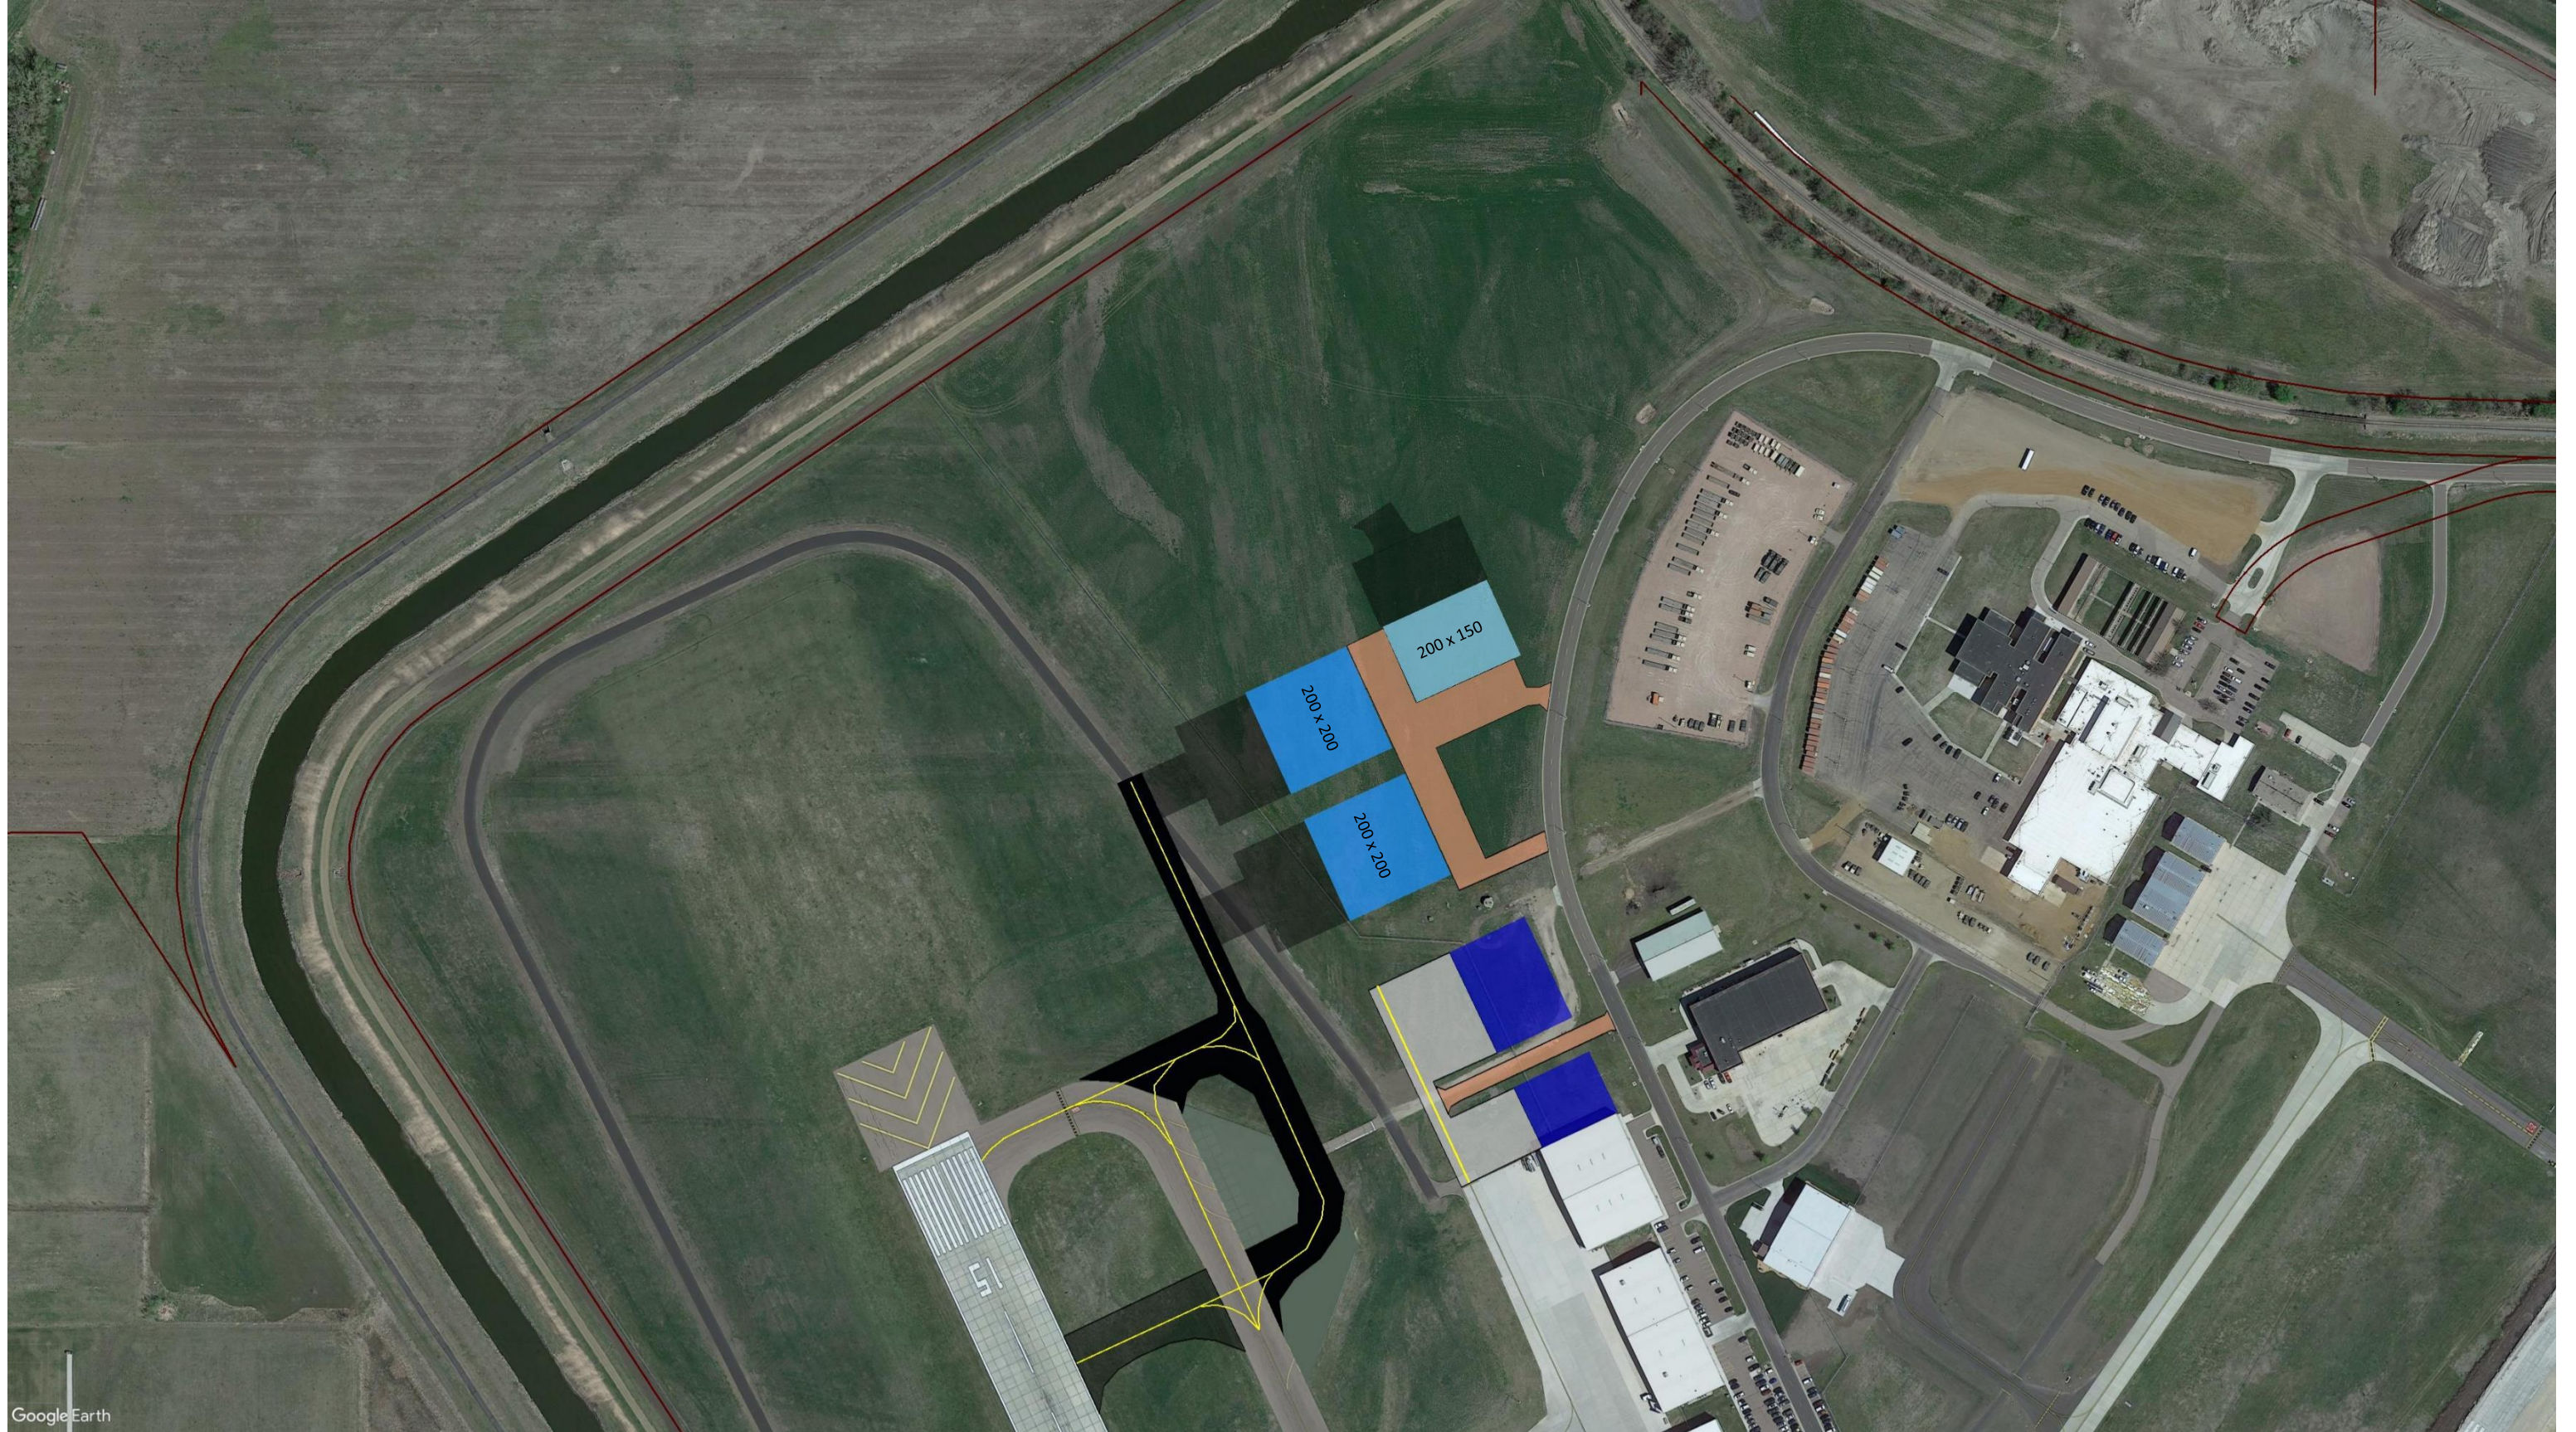

Northwest Area – Middle Alternatives

Middle 1

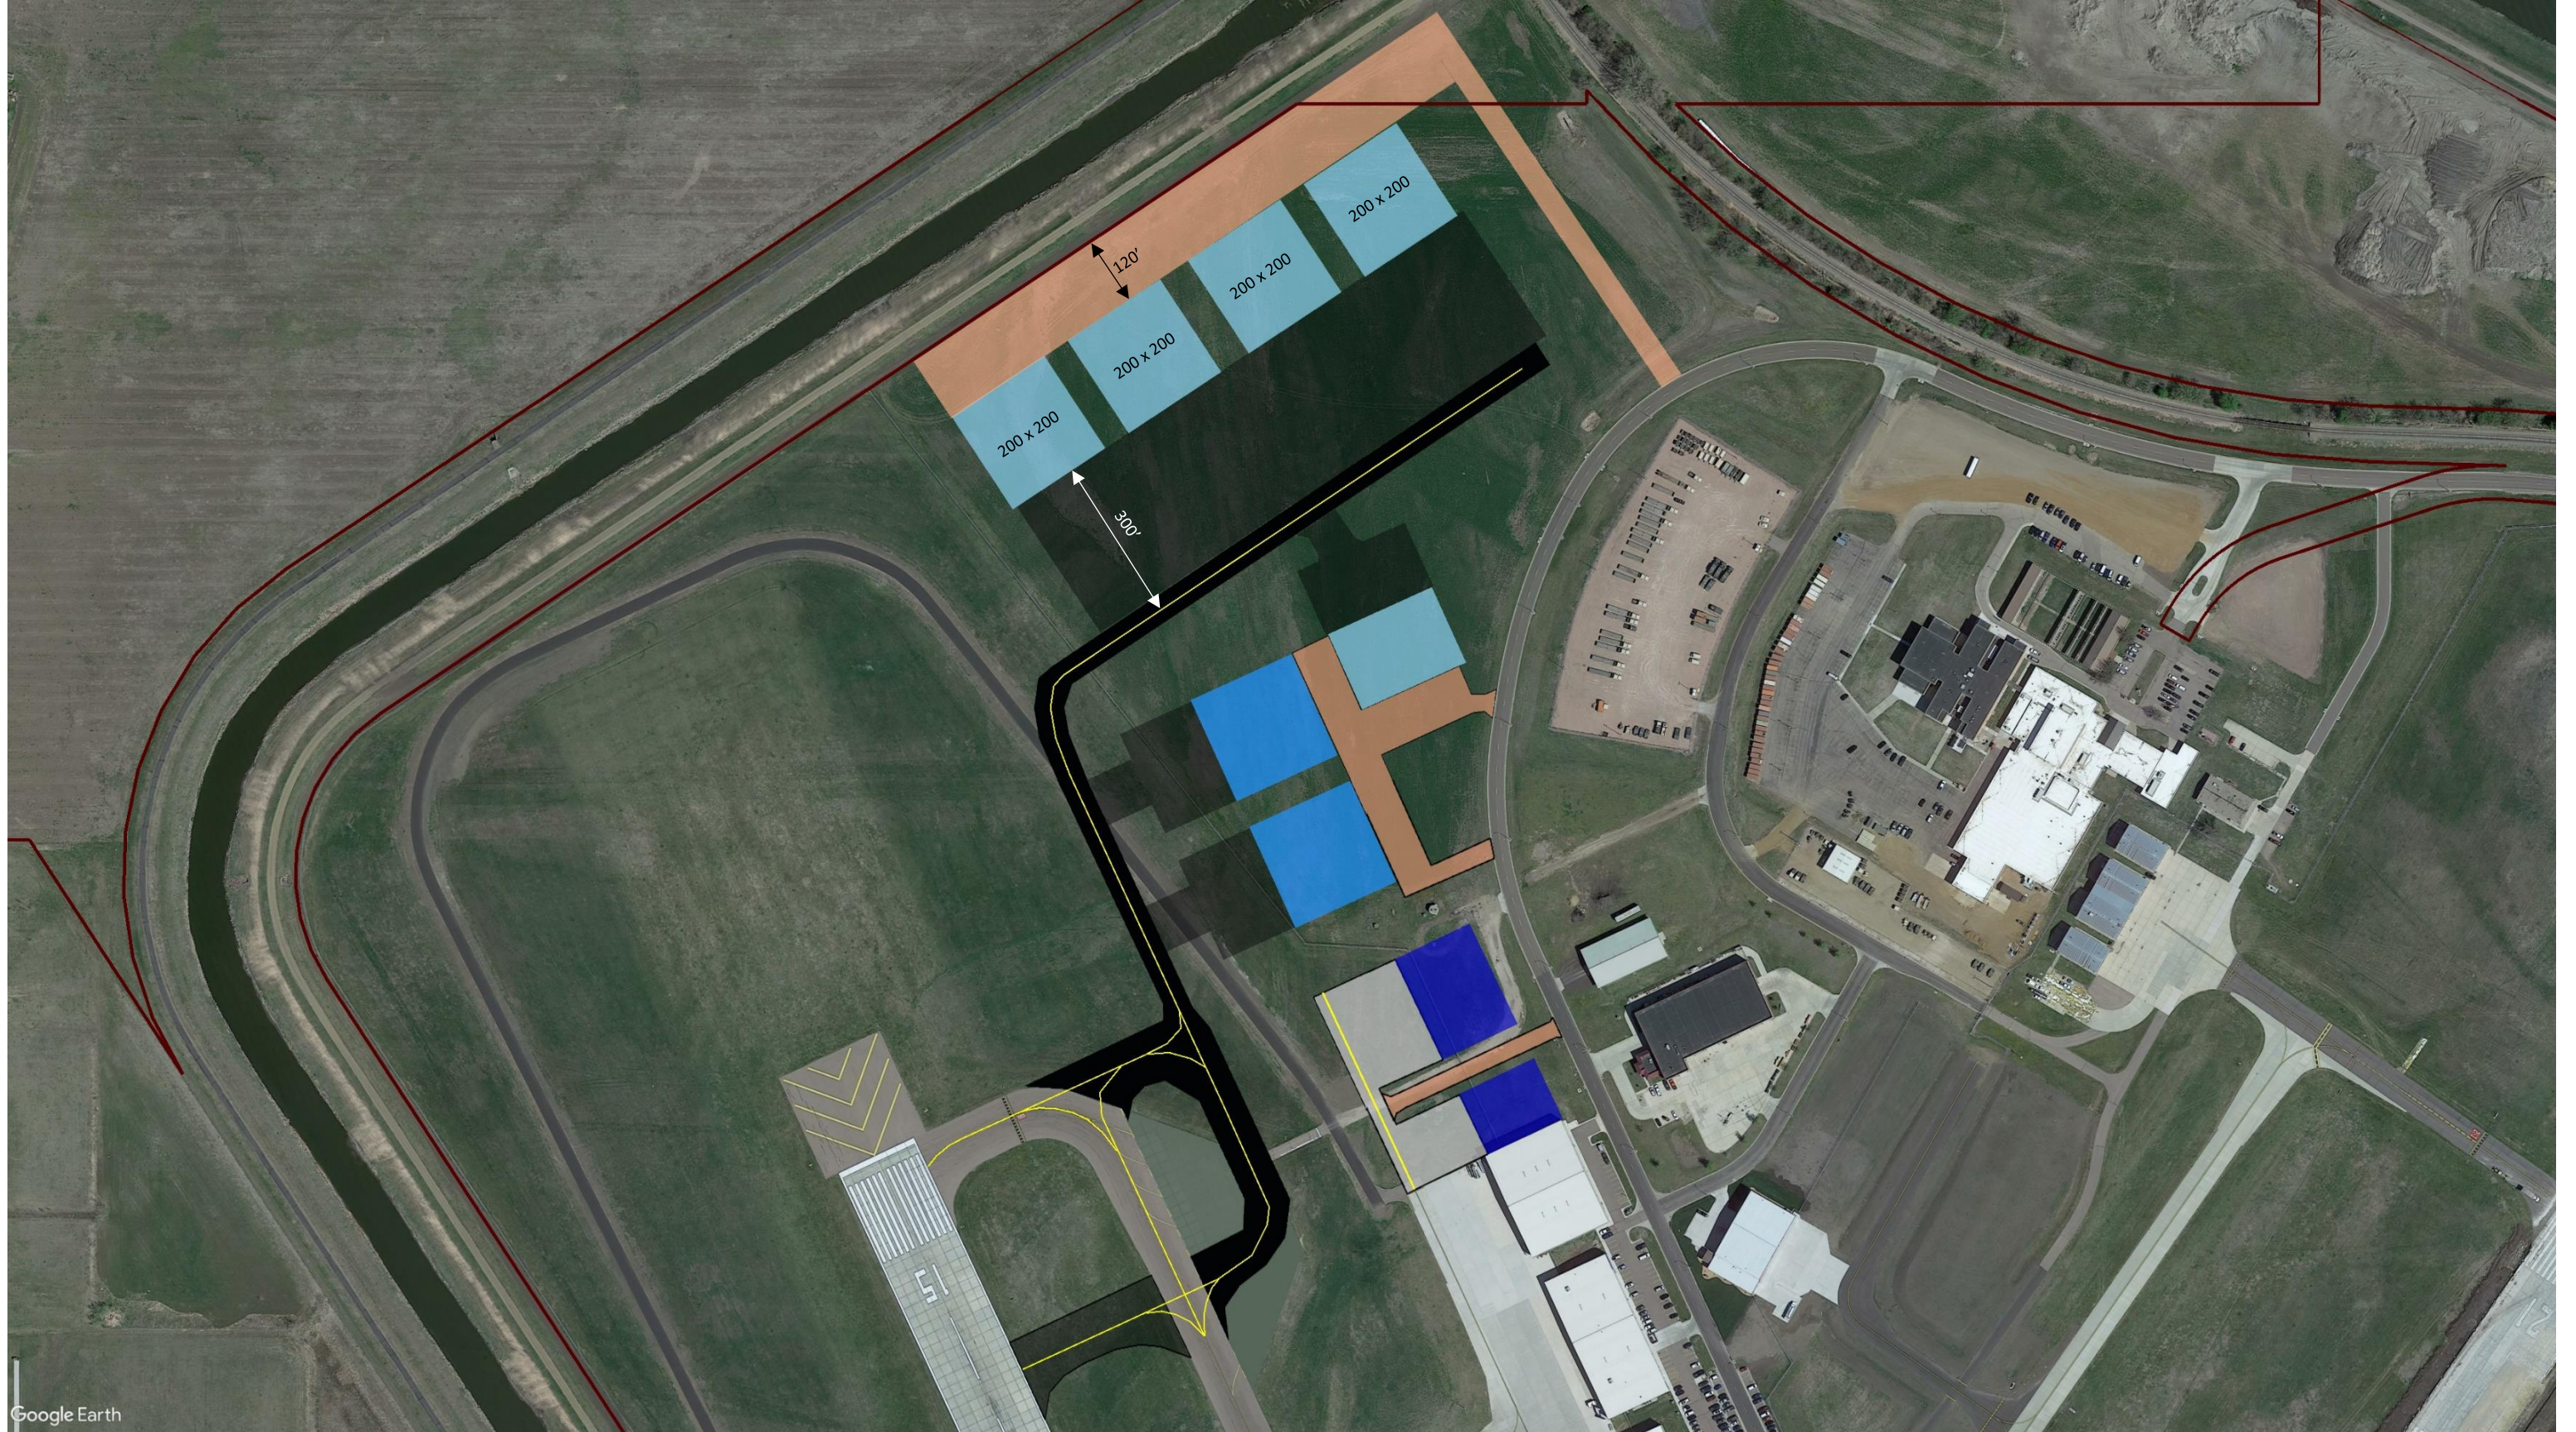

Northwest Area – Middle Alternatives

Middle 2

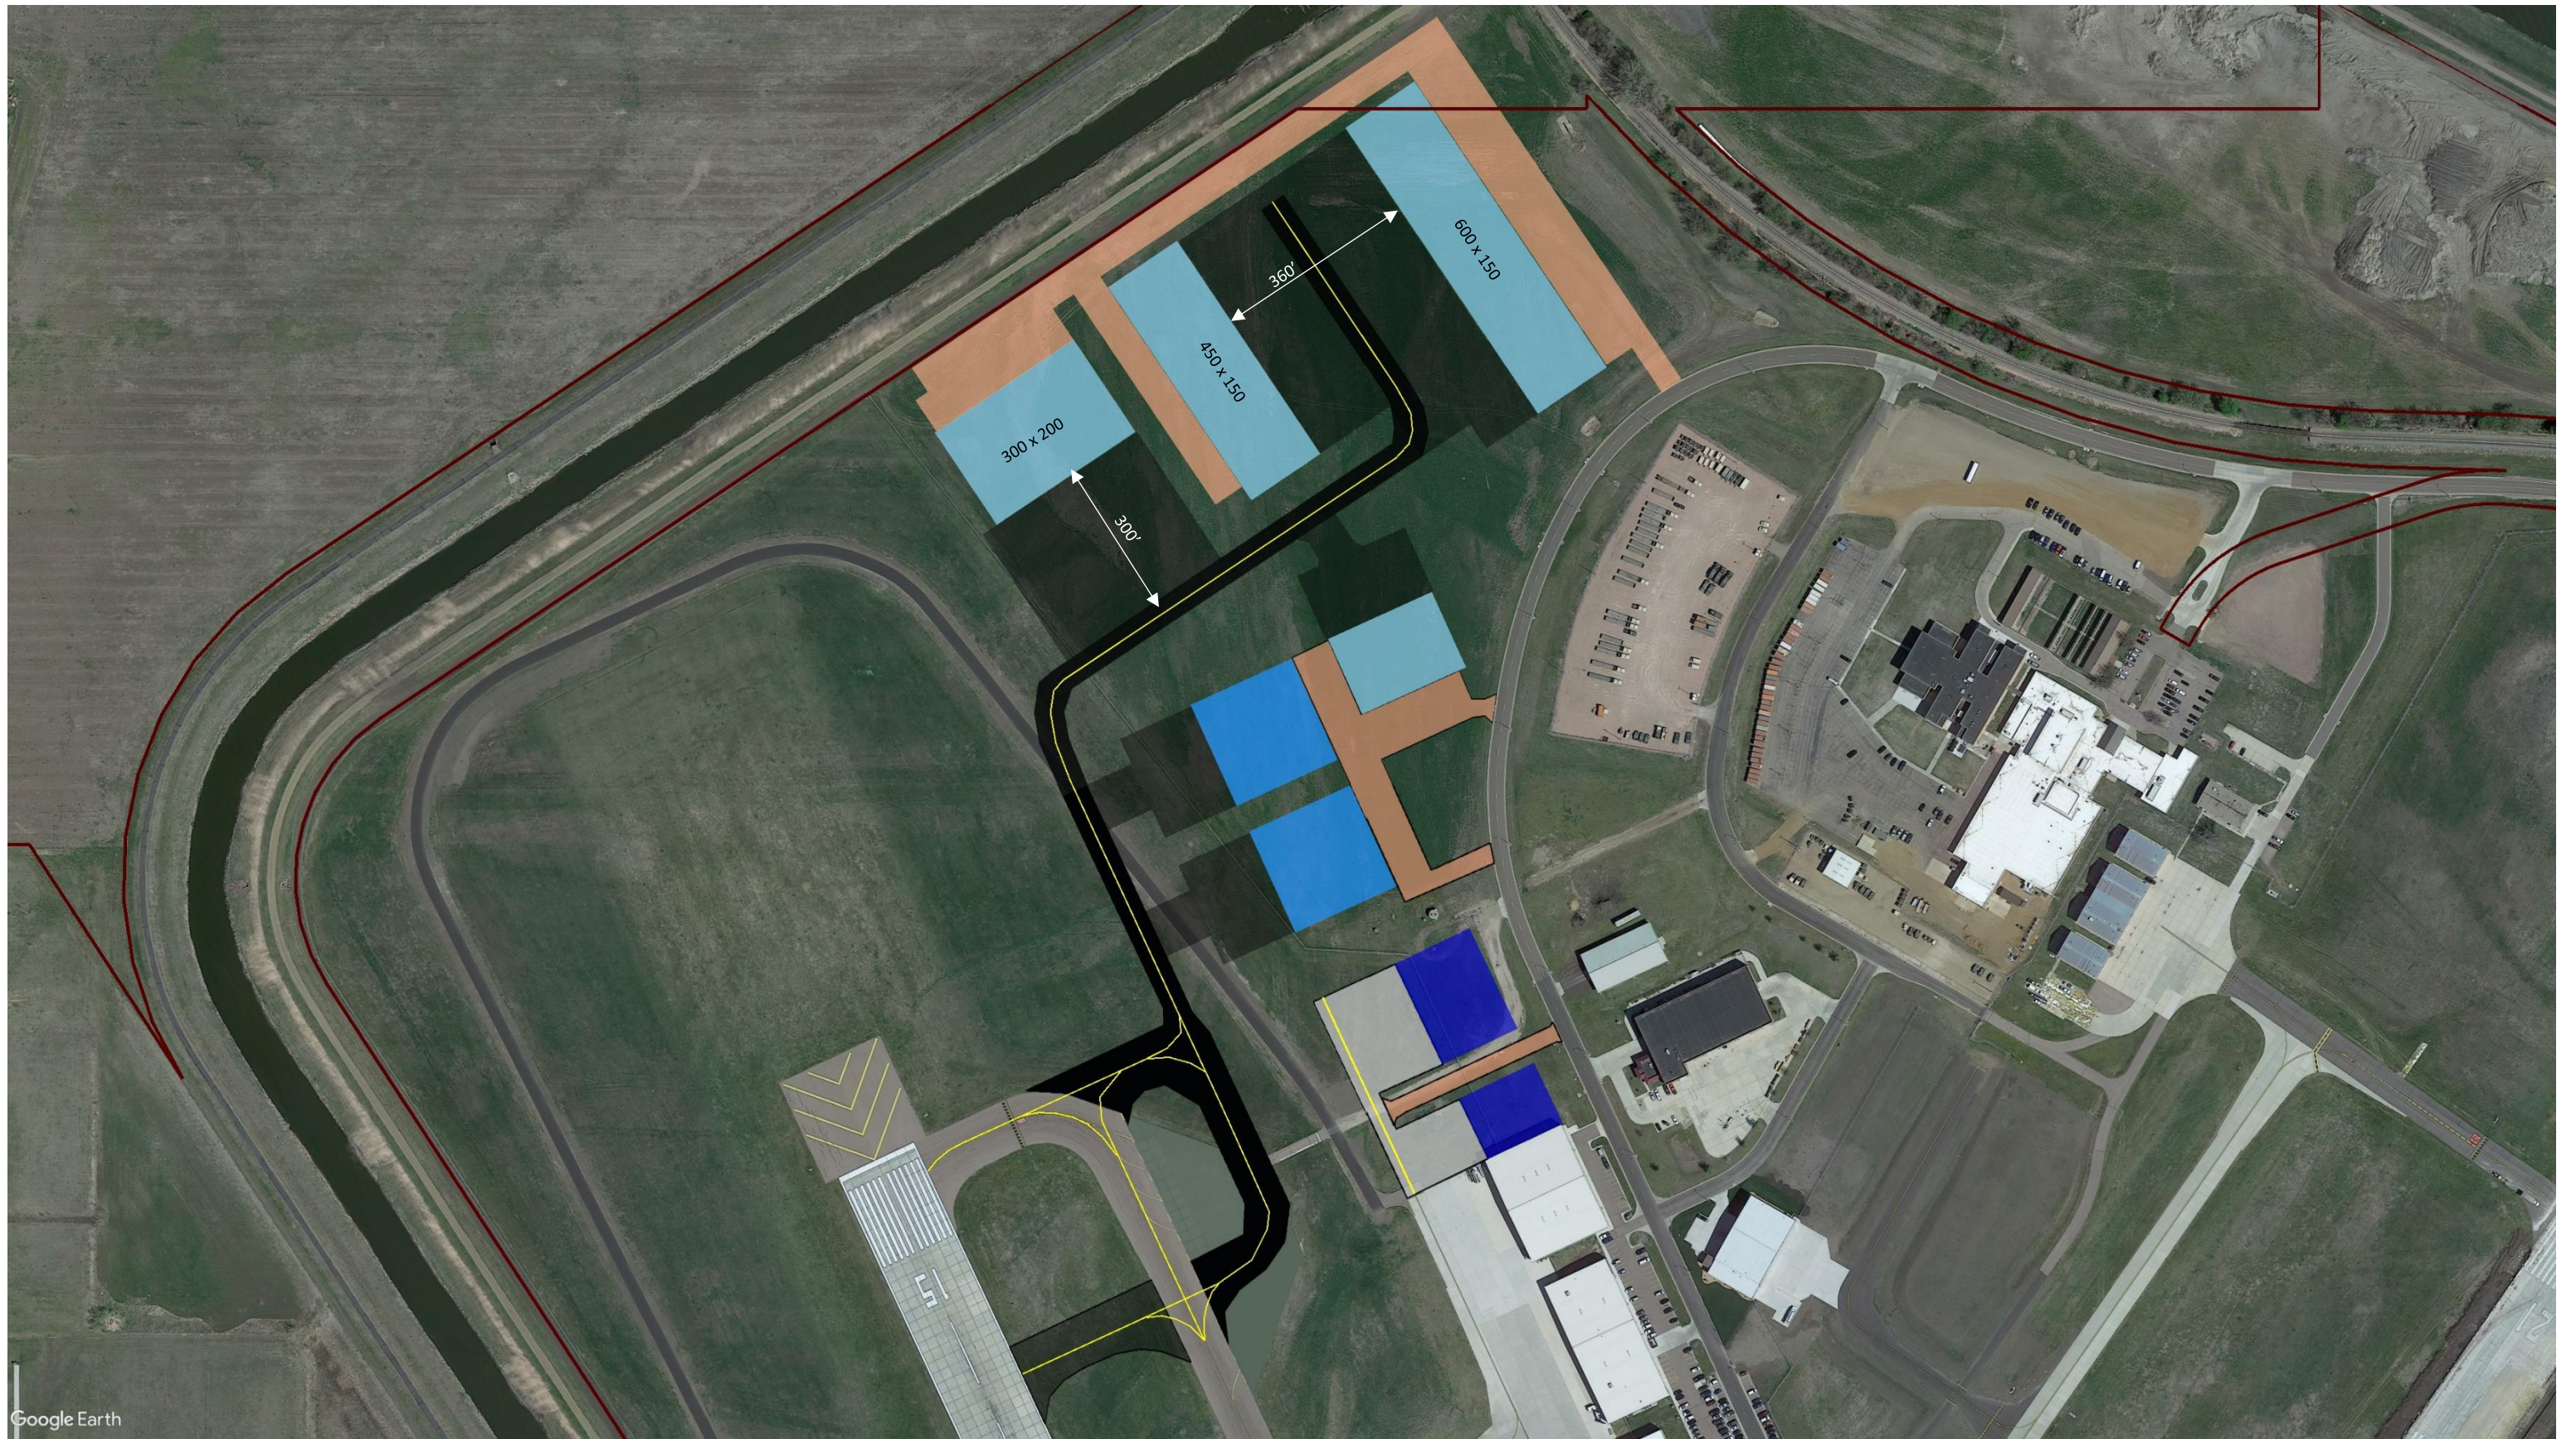

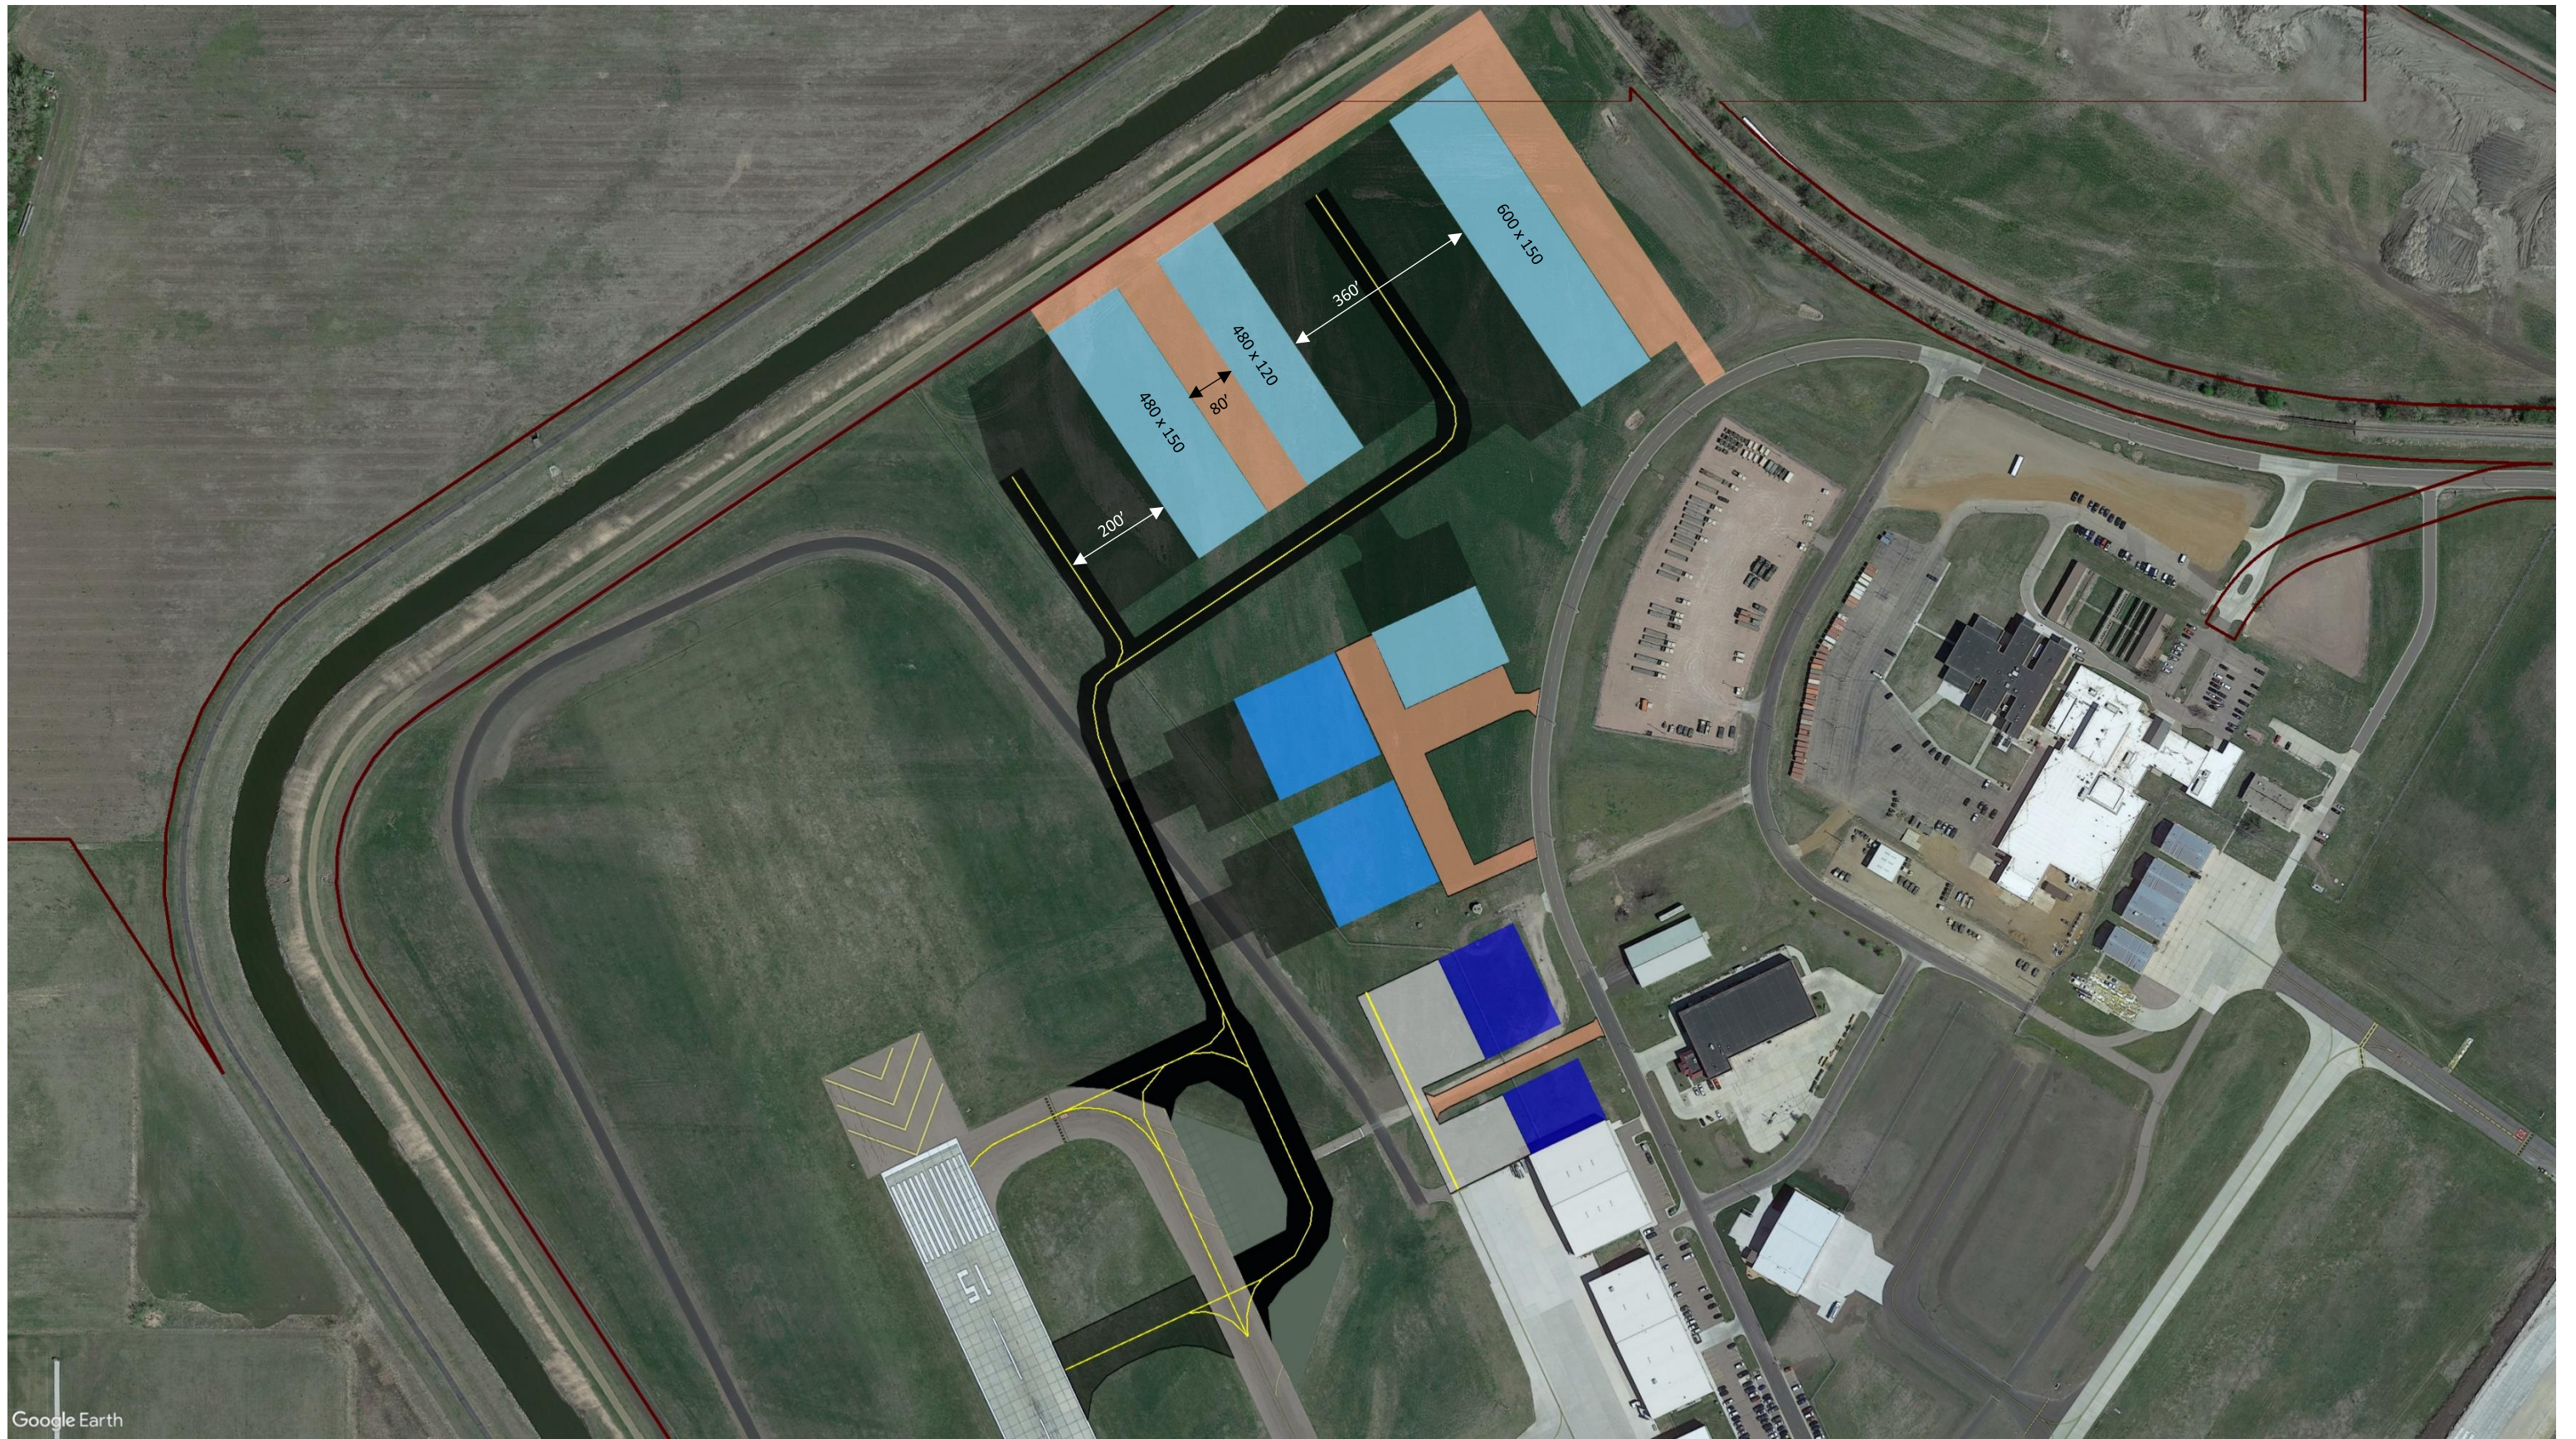

Northwest Area – North Alternatives (Shown with Middle 2)

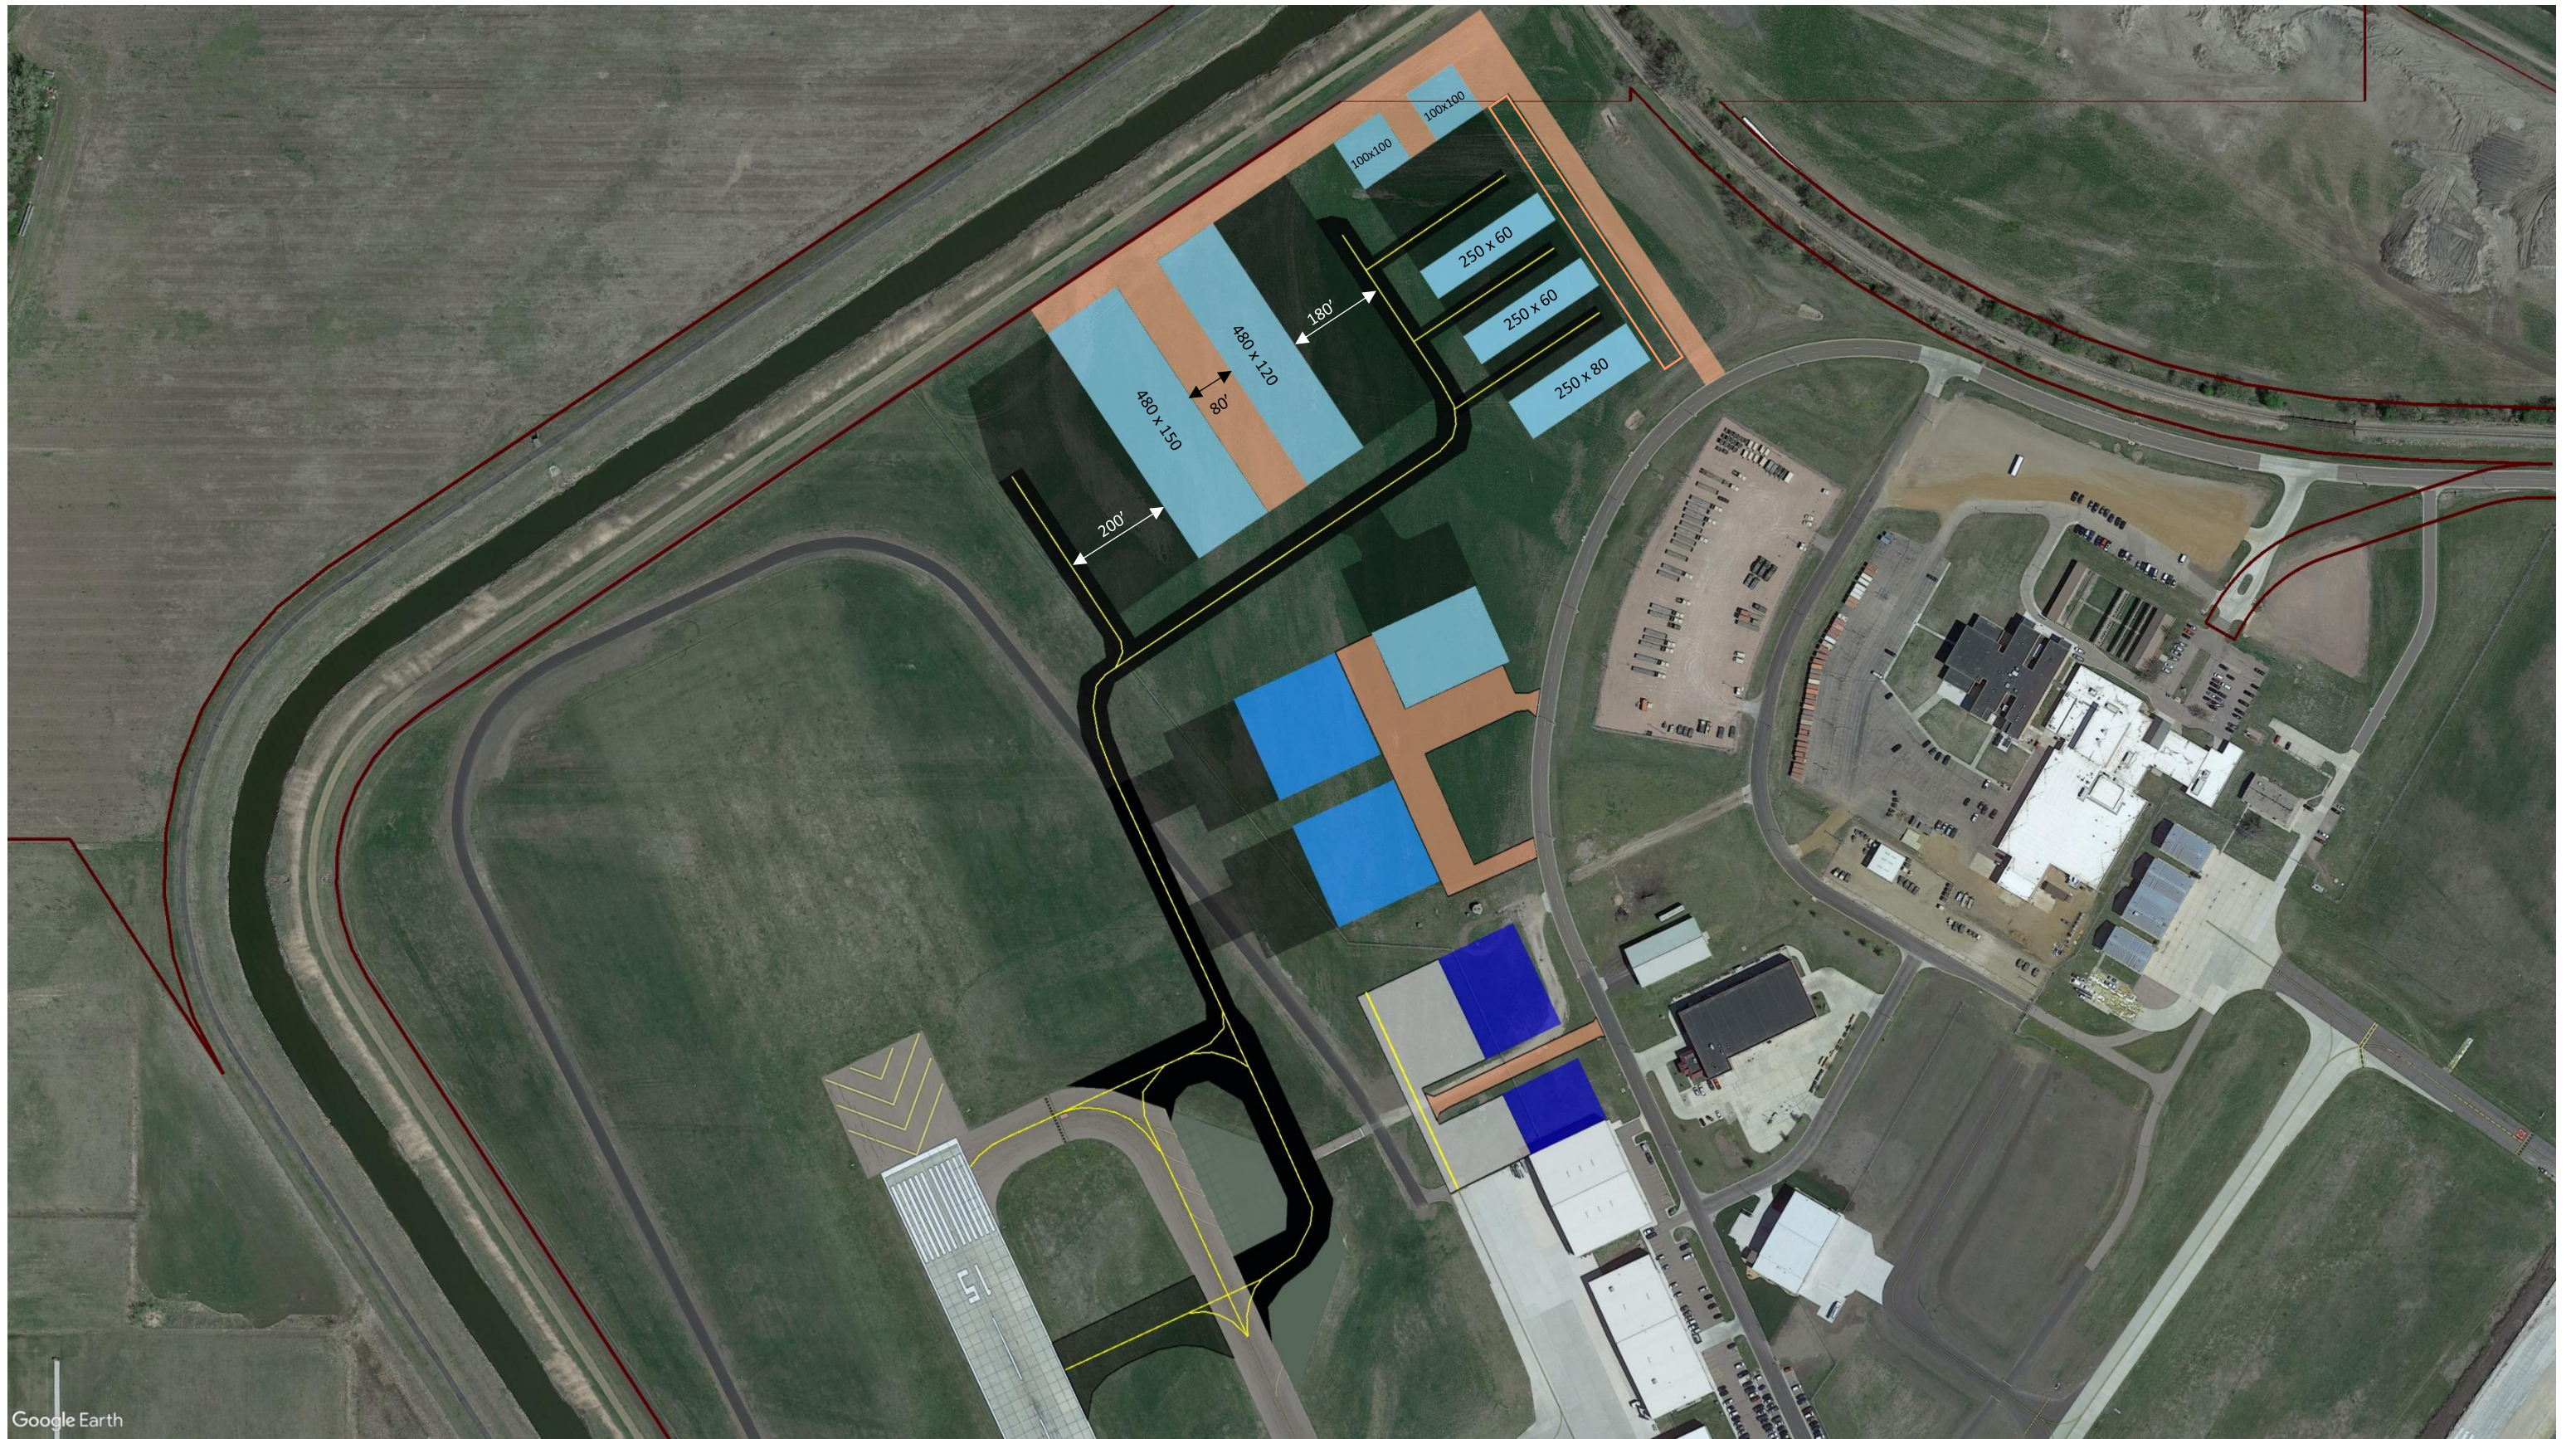

North 1

North 1 / Middle 2 Selected as the Recommended Alternatives

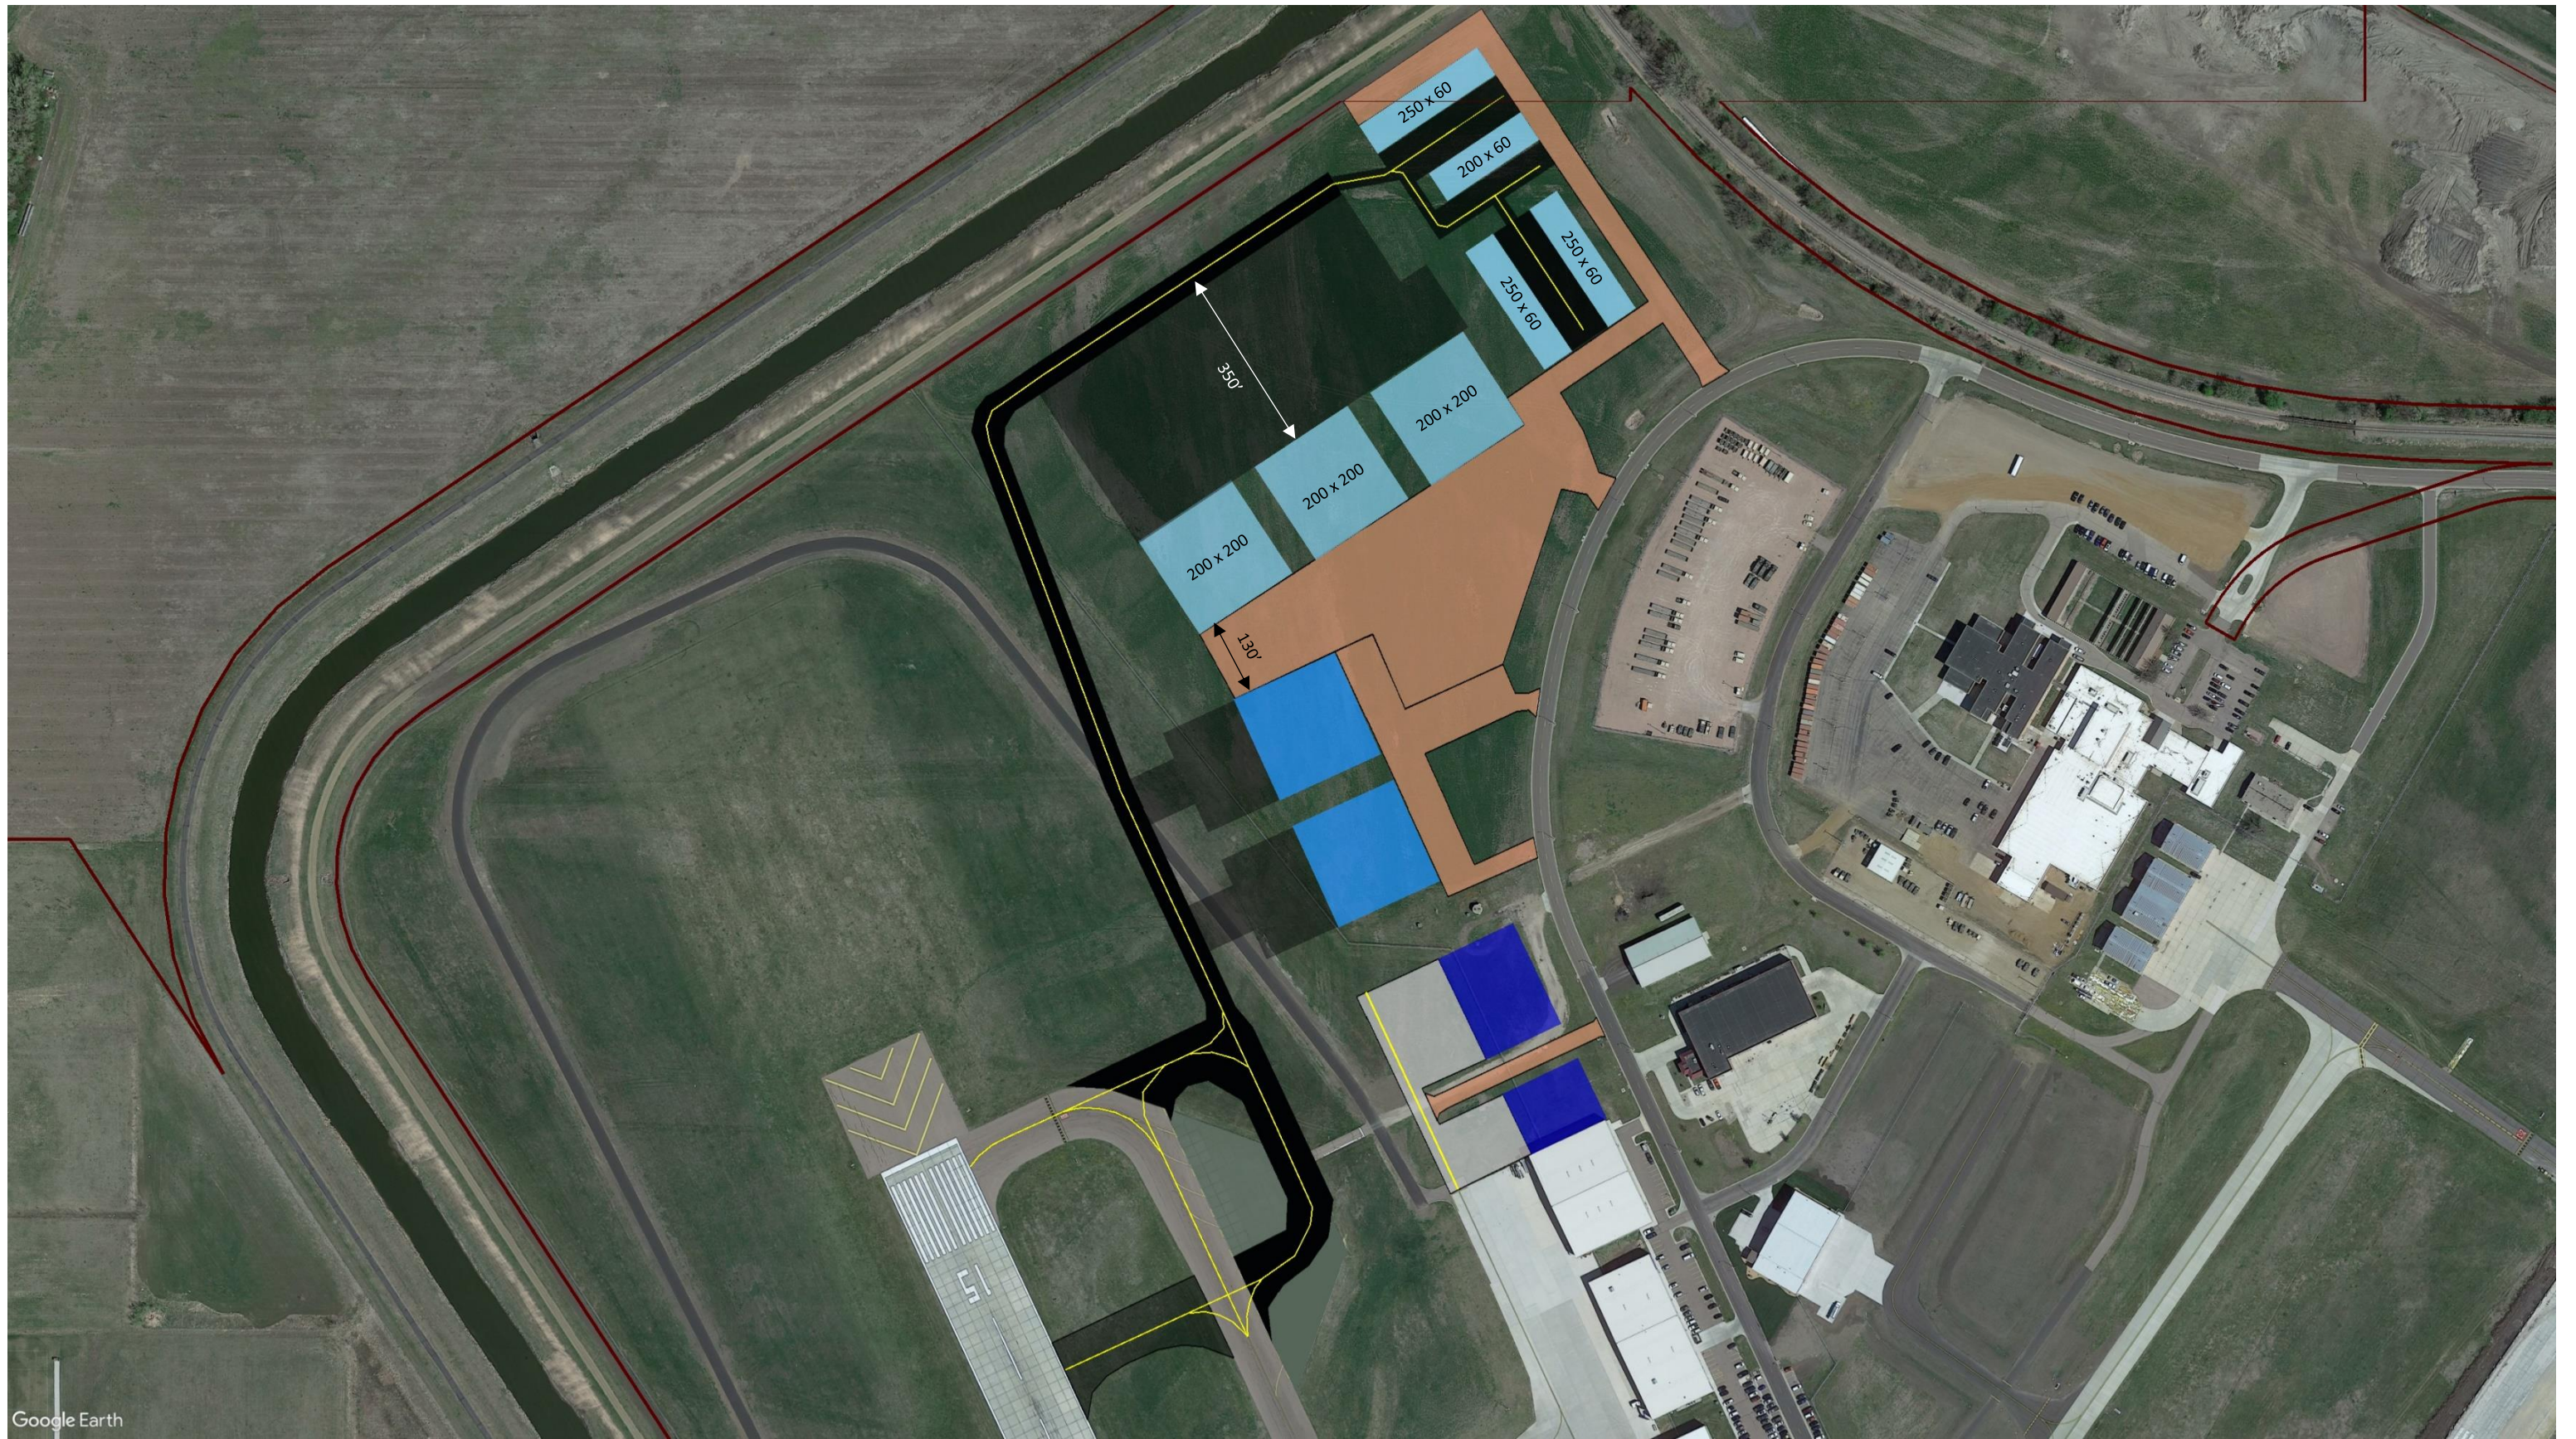

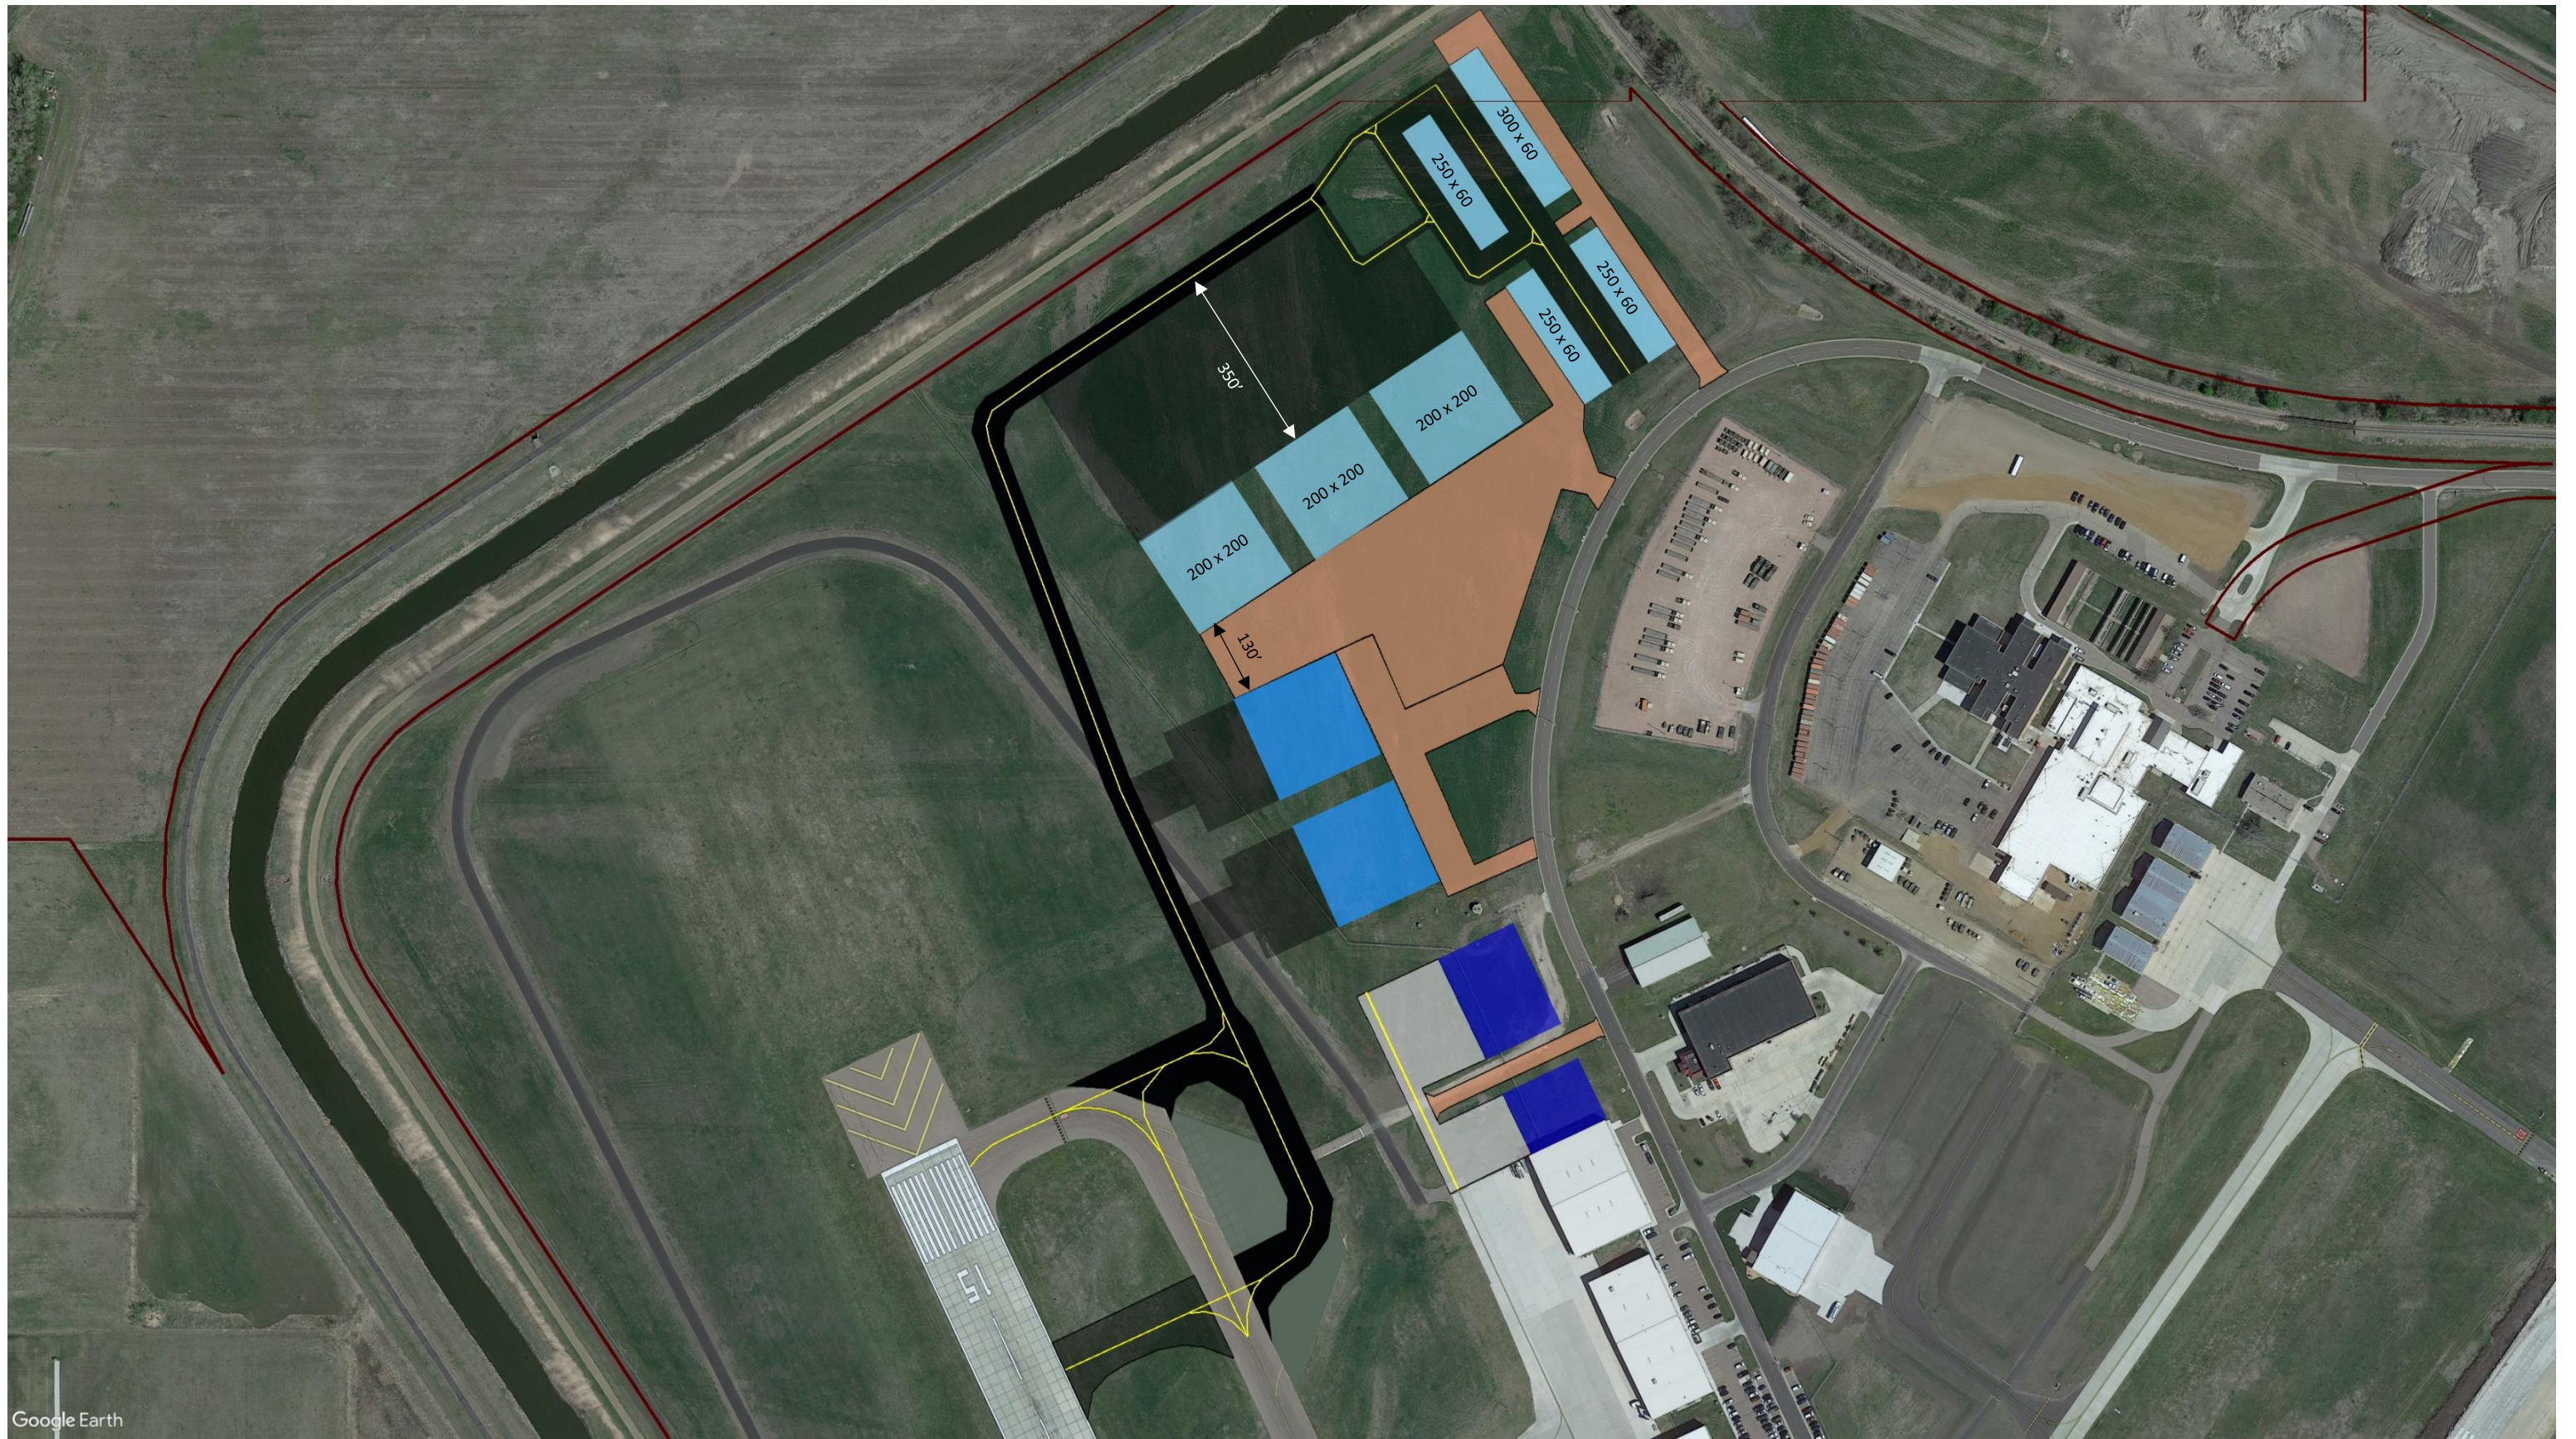

Northwest Area – North Alternatives (4a-4c shown with M2 less the 150'x200' hangar)

North 4a

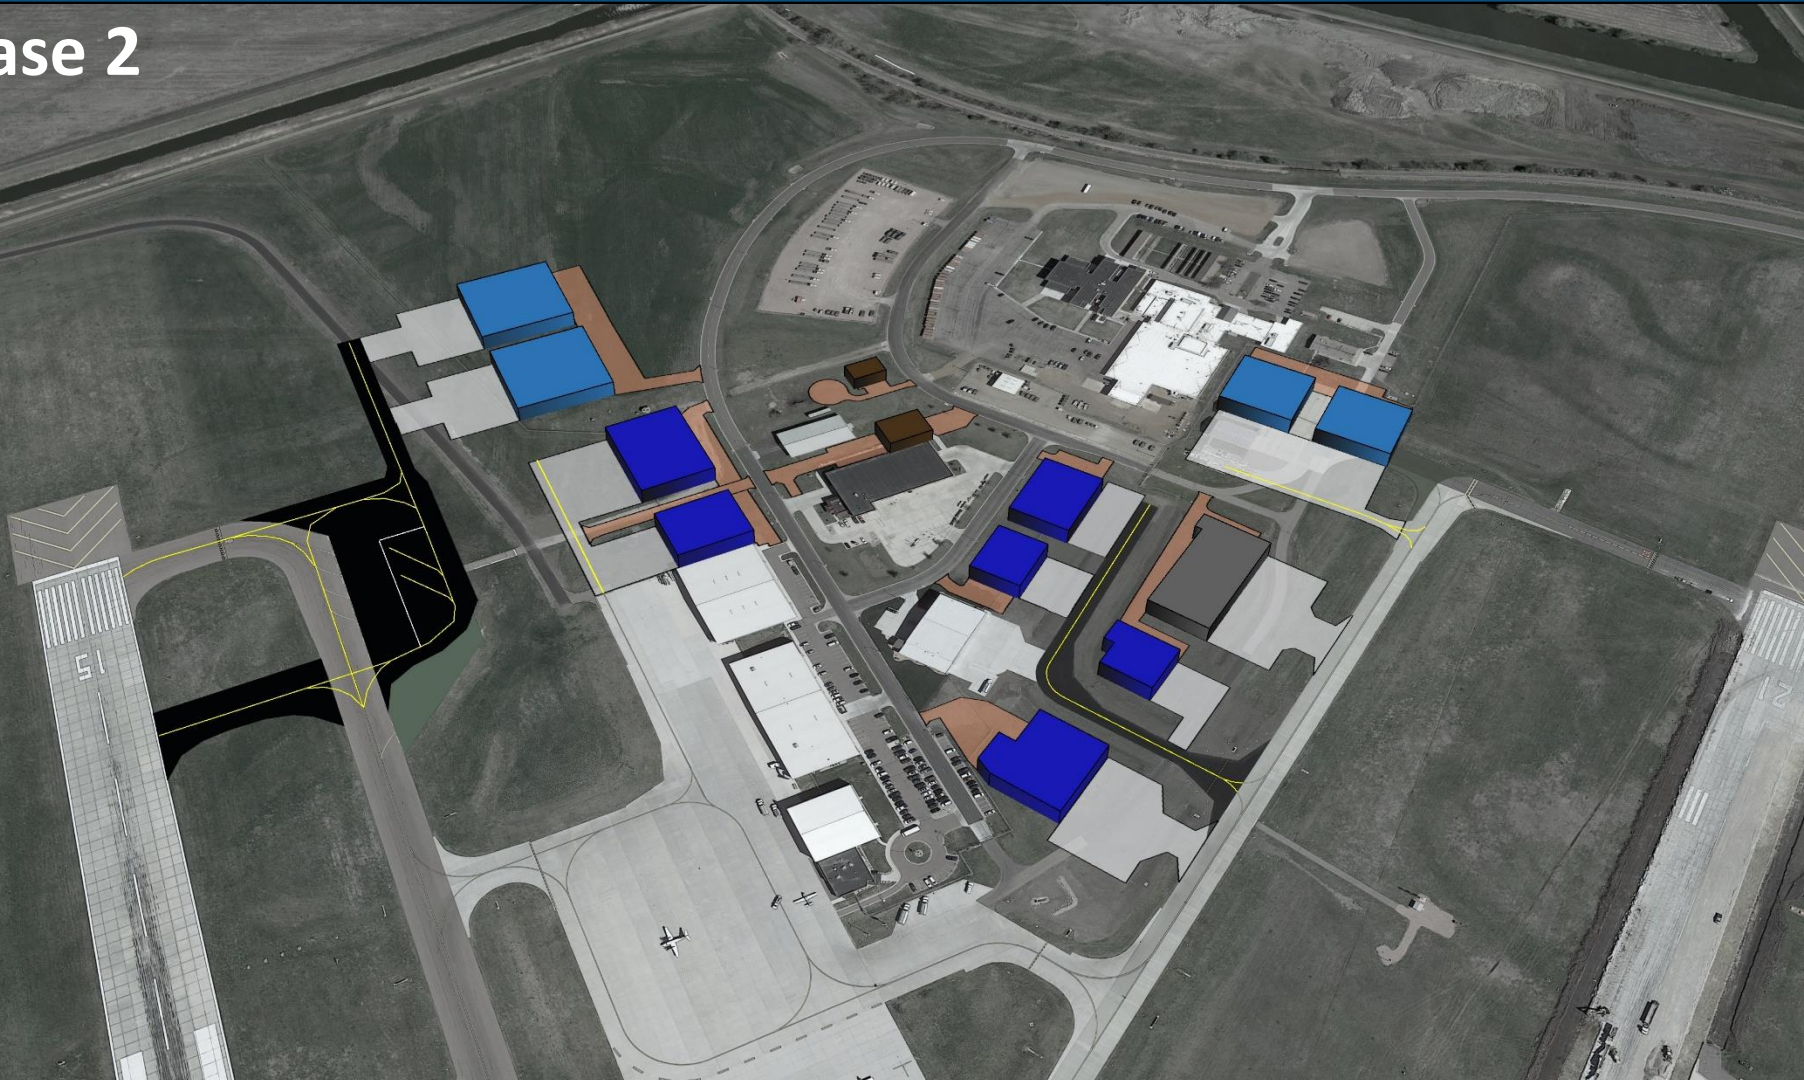

Existing

Phase 1

Phase 2

Phase 3
